

**EASTERN EYRE FOOTBALL LEAGUE**  
**JUNIOR PLAYER – PLAYING UP and PLAYING DOWN POLICY**

**POLICY STATEMENT:**

The Eastern Eyre Football League (EEFL) is an affiliated member of the South Australian Community Football League (SACFL) and as such recognises the Australian Football League (AFL) as the overarching Governing body.

The EEFL has a Junior Competition and as such acknowledges the requirement to maintain the junior age gap at no more than three (3) years. The EEFL junior competition currently consists of:

- Senior Colts – Under 16 years
- Junior Colts - Under 13 years

It is further acknowledged that some EEFL Clubs do not have sufficient players to fill all Club Junior grades, and that at times a younger player would benefit from 'playing up a grade' and to assist in making up the numbers for a team.

It is also acknowledged that EEFL Clubs, Coaches and Parents have a duty of care when deciding on a player moving up or down a grade.

**POLICY:**

To assist Clubs to conduct reasonable duty of care to protect the younger children from any injury the following policy is considered the appropriate steps to take.

**CHILD PLAYING UP:**

- The relevant Club will designate the Coaches from both grades to determine which child/children are skilled enough and would benefit from playing up. This can be done at the commencement of the season or on the day of a match if required.
- The Coach or a Senior Representative of the Club must seek approval from the child's parents or guardian and such approval must be in writing (Appendix A), deemed to be a waiver to ensure the parent or guardian is aware of the potential risk of injury.
  - This written approval is to be retained by the Club with a signed copy forwarded to the EEFL Secretary for registering.
- The child/children must wear an orange fluorescent arm band (or other identification as directed by the Board in the interim) on the left upper arm of the child/children
- The umpire is to be advised of any child/children so identified as a '*player playing up*'
- The child must be recognised on the team sheet as an underage player
- The player should benefit from the opportunity to play up based on his/her skills and strength.

- Coaches should endeavour to match players by age and ability in accordance with the AFL Junior Match Guide
- The umpire must be informed of this process and use his/her best endeavours to protect the child
- This can only occur for a Child playing up **one grade only** (moving from U12 to U16 as an example) or if the club only has one junior competition

#### **CHILD PLAYING DOWN:**

- Clubs must apply to the EEFL Permit Committee for a 'permit' for an over-age player/s to play down a grade at the beginning of the season or at such time deemed necessary by the Club. This application must be made per the 'EEFL Junior Player – Play Down Form'.
- The decision to apply for a permit should only be made based on possible medical condition and/or disability, child's size or ability. In some cases applications may be made based on the child's size and/or ability.
- Any application must be accompanied by a Medical Certificate, signed by a Medical Practitioner, stating the nature of the player's circumstances / condition and a detailed report recommending that the player 'play down'
- The application for a 'Playing Down' Permit must be forwarded to the EEFL Permit Committee and players may not play down unless written approval from the EEFL Permit Committee has been received
- Although this policy relates to the EEFL Junior Competition, it is recognised there may be players who suffer medical / physical conditions which seriously impedes their ability to play within the senior competition. In such cases an application may be forwarded to the EEFL Permit Committee, but consideration will on be given subject to
  - The age of the player/s; and
  - Medical evidence of the medical condition and/or physical disability. In such cases a Medical Certificate signed by a Medical Practitioner / Specialist must accompany the application.
- The Club must agree that the player or players are suitable to play against younger children
- The Coaches should endeavour to match players by ability and size on match day
- The parents of the younger age group must be informed that there will be an older child / children on the field
- The player is to be noted on the team sheet
- The umpire must be made aware by the Coach or the Club of the team
- The child/children must wear an orange fluorescent arm band (or other identification as directed by the Board in the interim) on the left upper arm of the child/children

- The Club making the application and Parents / Guardian's must acknowledge the following conditions will apply to permits issued under this policy. These will include, but not restricted to:
  - Permits are issued for the player to play only within the grade/team nominated
  - The EEFL reserves the right to revoke any permit if it is found –
    - The player has played up in another age group/team
    - The player is reported or sent from the playing field by any Official
    - It is identified the player has not played within the rules of Australian Rules Football and/or Junior Policy

**RECOMMENDATION:**

- This policy is to be read in conjunction with the AFL Junior Football Guide
- The EEFL on an annual basis will discuss with Clubs possible modified rules or the sharing of junior players amongst Clubs. (Refer the AFL Junior Football Guide.)
