**Issue #11**

**March 2016**

## A Message from the President

Hi all and Welcome to the start of the 2016 season. The new committee are just starting to get into the swing of things. Our Central Management meetings are generally held on the first Monday night of each month so if there is anything you would like discussed please catch up with me or the relevant committees. Mark Hannemann has continued on as Football President and I welcome Cathy Haines as Netball President and wish her all the best in her new role. Thank you to Kirsty Segon for her work as Treasurer and wish her and Pat all the best on their upcoming arrival. The treasurer's position has been filled by Hannah Schubert and we all look forward to working with her. Our sponsors are always very supportive so remember to support them. Also this year we have Field Days so there will be rosters. Let's get behind the catering committee and help out as much as we can. This event is a great help financially so we need to make the most of it. Membership information will be out soon and we encourage everyone to get on board with that. Finally, I wish all the teams and coaches all the best for the 2016 season.

Mick Evans  
President

## FOOTBALL

The Eastern Eyre Football and Netball seasons will again be conducted over 4 rounds which means we will play 6 home and 6 away games with Rudall hosting the Grand Final on the 3<sup>rd</sup> September. The Ranges have the bye on the 16th July (the middle week of the school holidays).

The years training will be a little different with the circumstances' surrounding the condition of the Cleve Clubrooms.

The senior Football squad will train in Cleve every Tuesday evening all year, with the whole of Club trainings being at Rudall every Thursday night. (Note the Junior & Senior Colts will again only train once a week on Thursdays at Rudall, which will coincide with having teas available for the family afterwards).

Our senior squad has been training Tuesday nights since early Feb with good numbers on the track which is encouraging going into the new season.

Football and netball trainings for all grades will commence on **Thursday 31st of March** at Rudall. Junior and Senior Colts start at 5pm and Seniors at 6pm.

The Eastern Ranges Football and Netball Clubs are hosting a Trial game against Tumbly Bay on the 9th of April at Rudall.

Our Club reaped the rewards of winning all four premierships in 2015, a terrific effort by all concerned. For the first time in our short history we have a unchanged coaching panel. Good luck to you blokes in this coming season.

### Our Coaches this year are:

#### A GRADE – Kane Schubert

Mervs second year as senior coach, a premiership in his first year last year, Merv has successfully coached Premierships in the last 6 consecutive years.

#### B GRADE – Steven Roberts

Looking to go back to back. Roo coached successfully in his first year and handled a sometimes difficult job with ease.

**SENIOR COLTS – Kym Villis**

This will be Kym’s fifth year as senior colts coach, with the highlight being the senior colts winning their back to back premierships last year. The senior colts numbers are again sound and with the uneven numbers in some teams across the league it is quite challenging to balance game time for our lads.

**JUNIOR COLTS – Troy Grosser**

Troy will be in charge of this group for the second year and we wish him well in guiding this talented young group through the formative years of their football. This team has won four premierships in a row and hopefully more to come.

**AUSKICK (MINI MINIS) – Darren Allen & Nick Cook**

Thank you to these two parents for volunteering their time and effort into the important task of setting up a sound foundation for our young lads again this season. Any new parents with lads wanting to join the mini minis (this year it will be known as the Auskick competition) please let Darren, Nick or myself know.

**Player Movements**

We are fortunate to have a great bunch of loyal and dedicated players within the senior ranks which have been further bolstered by some inward movements – we welcome them not only as footballers but as valued club people (and families) too.

We welcome to our Club **Jess Kenny** back into the district from Jamestown, along with the return of **Nathan Smith** from Elliston (Nathan has started an apprenticeship with one of our Major Sponsors Ramsey Bros) and **Brodie Pearson** back from Lock.

**Damien Hannemann** also returns from overseas later in the year, we are looking forward to his return. Moving into the senior ranks from colts footy are:

**Nathan Byrnes, Ethan Kwaterski, Jonno Forrest, Cole Gerloff, Claye Peters, Jack Weiss, Thomas Weiss & Mathew Smart.**

Sadly we farewell **Jack Kenny**. Jack has been the shining light in the Ranges first four years. His achievements have been well documented from his three Best and Fairest for the Ranges, Numerous Mortlock awards, State Country Championship representation and awards to representing the State Country, being voted best on ground in that game. Jack also won a Mail Medal and I believe was unlucky to come runner up in two others. Every young player wants to play like Jack Kenny. We wish Jack all the best at Glenelg and thank you for your years with the Ranges.

**FOOTBALL CLUB GENERAL MEETING**

**Tuesday, 5th April 2016**  
**7:30pm at Rudall.**

**Players, parents and supporters urged to attend.**

- Main business: organising support personnel to make matches happen eg boundary & goal umpires, gate keepers etc. Once we have a list of interested supporters we can go about making a roster to make the year run smoothly. If you are interested in helping but cannot make the meeting please let Mark Hannemann or any of the committee know.

Feel free to approach any of the committee if you have any concerns regarding football throughout the year.

### Players Registration/Auskick

The registration process does not allow children under 7 years of to register on Sporting Pulse. This prevents these boys from being named on the Junior colts team sheet on a Saturday. While this does not create an issue for the Ranges at this stage with our present numbers, it does create a problem with insurance of these young footballers playing Mini Minis.

The Eastern Ranges have decided from this season forward our mini minis will now play under the Auskick program. For children to participate in these games and trainings they must be registered with Auskick.

Any one playing Auskick will now have to register with Auskick at a cost of \$60. We suggest you use your Government Sports Voucher of \$50. It will then only cost you the additional \$10 to have your child fully covered insurance wise and reap the benefits of the Auskick Programme (including merchandise such as bags, water bottles and footballs).

We will send out additional information once training commences.

This year player registration of all players including juniors has changed. It is now the responsibility of individual players to register themselves and their family before the start of the season. All Senior and Junior players registered last year, along with Club officials, will have received an invitation to re-register with the Eastern Ranges, along with a link to register this season. If anyone has any problems in this registration process please contact Scratch on 0428285265.

Some news on former players of our Clubs:

**Sam Gray** is now on the Port Power Senior list and **Tom Gray** is again under contract and playing with the Magpies (League). **Kyle Jenner** is Vice-Captain of Central Districts. **Alex Villis** is in Norwood's senior squad. **Cole Gerloff** is also in the Norwood under 18 squad.

It is great to see these local lads achieving well at these higher levels.

### INSURANCE

The Football club has committed to the basic Bronze cover provided by Community Football—this is limited to \$2,000 per claim of out of pocket non Medicare expenses.

Anybody looking for "Loss of Income" insurance should arrange this privately.

Major Sponsor, ELDERS INSURANCE have a very competitive package tailored for locals, contact Brydon or Kane for further information.

### AMBULANCE COVER

The Football & Netball Clubs would like to encourage all members to have Ambulance cover for them and their families. We have had situations where members have used the Ambulance system in non-serious situations and ended up with a \$800+ bill. Ambulance cover is not overly expensive and could prevent an expensive bill.

A huge thankyou to all these wonderful women for their commitment to our club. Please show your support to these ladies throughout the year. If you have any team enquiries please speak to the Coaches or to Deb Taheny, our Liaison Officer.

Senior Grading has begun with two trainings so far. There is one more grading night this Wednesday 23<sup>rd</sup> March at 6.00pm at the Cleve Courts.

We will be having a Trial game against Tumby Bay on the 9<sup>th</sup> April at Rudall. We will be filling two senior teams and a D grade as well. The D grade and one senior game will start at 1.30pm and the other senior game will follow immediately after they finish. These will be four 15 minute quarters. Anyone interested in umpiring any of these games, please let me know.

We have Kitchen & Bar rosters to fill this year so can everyone please make sure they turn up for their shift or organise your own swap. If you do this, please let the Convener of your shift know.

Sarah & Zoe Traeger are organising the Court duty roster. This is an extremely difficult roster to fill so if you are able to do an extra job at any time please let them know. If there are times when you will be away let them know as this helps a lot with filling the rosters.

The Club is currently organizing for our experienced umpires to help our D grade girls and anyone else who would like to try umpiring. Remember there is no game without an umpire and it can be very rewarding. The new Rules will be passed onto everyone in the club by the people who attended the Rules night at Arno.

Thanks to Amy Allen for volunteering to supply a bag of ice for each home game.

Fiona Evans is our Merchandise Manager so for any uniform requirements please see Fi.
