

EASTERN RANGES FOOTBALL & NETBALL ***THE RANGES WRAP***

Issue #9

March 2015

Welcome to the first Ranges Wrap of 2015.

FOOTBALL

The Eastern Eyre Football and Netball seasons will again be conducted over 4 rounds which means we will play 6 home and 6 away games leading up to finals with the Grand Final set down for Saturday 5th September at Kimba. The Eastern Ranges are hosting the Kinlough /Pedler Cup and the Preliminary final both at Rudall, and the Club bye is on the 11th July (the middle week of the school holidays)

The years training and playing schedule can be found at the end of this publication. (Note the Junior & Senior Colts will again only train once a week on Thursdays which will coincide with having teas available for the family afterwards)

Our senior squad has been training Tuesday nights since early Feb with good numbers on the track which is encouraging going into the new season.

The whole of Club trainings will commence on **Thursday 19th March** at Rudall involving all grades of Football and Netball. Junior and Senior Colts start at 5pm and Seniors at 6pm.

Our Coaches this year are:

A GRADE – Kane Schubert.

Mervs first year as senior coach, has coached very successfully in the junior colts for 4 years or more. Also played many years at the top level. I'm sure Merv will be a great coach, continuing on the terrific job that Darren Allen has done in our clubs first three seasons.

B GRADE – Steven Roberts.

Looking to go one better than last year. Roo has also coached at senior level with years and years of experience. I'm sure he will coach well this year.

SENIOR COLTS – Kym Willis. This will be Kym's fourth year as senior colts coach, with the highlight being the senior colts winning their first premiership last year. The senior colts numbers are again sound and with the uneven numbers in some teams across the league it is quite challenging to balance game time for our lads. Hopefully the boys will have another successful season.

JUNIOR COLTS – Troy Grosser. Troy will be in charge of this group for the first time and we wish him well in guiding this talented young group through the formative years of their football. Troy has also coached at various levels for a long time. This team has won three premierships in a row and hopefully more to come.

MINI MINIS – Darren Allen & Nick Cook. Thank you to these two parents for volunteering your time and effort into the important task of setting up a sound foundation for our young lads.

young lads. Any new parents with lads wanting to join the mini minis please let Darren, Nick or myself know.

While on coaches I would like to thank the four coaches who coached last year and are not coaching this season. To Darren, Donny, Malcolm and Matt Price on behalf of the club I would like to thank you for all the time and effort you blokes have put into our football Club over the last 3 seasons

Player Movements

We are fortunate to have a great bunch of loyal and dedicated players within the senior ranks which have been further bolstered by some inward movements – we welcome them not only as footballers but as valued club people (and families) too.

Andrew & Renee Kelly (Lincoln South) back into the district, **Dustin Beinke & Matt Hannemann** (both from Adelaide). Moving into the senior ranks from colts footy are **Jacob Hannemann, Adam Schmidt, Harry Dunn and Alex Willis.**

Sadly we farewell **Gerry and Mel Considine**, its disappointing to see this terrific couple move away from the area but we wish you both all the best in your future life. Maybe one day it would be great to see you back in our district.

Also other players to leave the Club are Nathan Smith (Elliston), Lachlan Ross (Home), Jackson Phillips and Cameron Smart (both transferred in employment) Sheldon Dennis (Adelaide) and Brodie Pearson (Lock).

FOOTBALL CLUB GENERAL MEETING

Tuesday, 7th April 2015

7:30pm at Rudall.

Players, parents and supporters urged to attend.

Main business: organising support personnel to make matches happen eg boundary & goal umpires, gate keepers etc. Once we have a list of interested supporters we can go about making a roster to make the year run smoothly. If you are interested in helping but cannot make the meeting please let me or any of the committee know.

We are looking for a young player to join the football committee to represent the players. It is a great opportunity to have an input into the way the Club is run! Any one interested, please let me know. Feel free to approach any of the committee if you have any concerns regarding football throughout the year.

The Football Club has purchased new guernseys in all grades this season. They are very similar to our old one with the new community footy logo on them and more white trimming around the neck and sleeves. Thanks to **Elliott Claxton** for your work in organising them.

Sam Gray is again on the Port Power Rookie list and **Tom Gray** has gained a contract in the Magpies (League). **Alex Willis** has transferred to Norwood's under 18s and **Shannon Jenner** has been included in the PA Academy. **Cole Gerloff** is also in the Norwood under 16 squad. It is great to see these local lads achieving well at these higher levels.

Jack Kenny will be representing **State Country** against **State Metro** in the lead up game **Power v Sydney @ Adelaide Oval** on **11th April**. *For anyone that is in Adelaide that weekend it would be a great opportunity to watch Jack play at State Level.* **Congratulations Jack, a great reward for your impressive dedication and commitment on the field over the last three years.**

INSURANCE

The Football club has committed to the basic Bronze cover provided by Community Football—this is limited to \$2,000 per claim of out of pocket non Medicare expenses.

Anybody looking for "Loss of Income" insurance should arrange this privately.

Major Sponsor, **ELDERS INSURANCE** have a very competitive package tailored for locals, contact Brydon or Kane for further information.

This year player registration of all players including juniors has changed. In previous years players were automatically rolled over into the next season. It is now the responsibility of individual players to register themselves and their family before the start of the season. There is an attachment in this Wrap which explains the process we have chosen to register all players this year. Once set up all players will receive an email reminding them to register in future years. Please fill in attached page (on page 7) for each player and or child and return to Scratch.

AMBULANCE COVER

The Football & Netball Clubs would like to encourage all members to have Ambulance cover for them and their families. Ambulance cover is not overly expensive and could prevent an expensive bill.

NETBALL

Welcome to everyone for season 2015.

The Netball Club is again able to fill all grades and on paper looks like we have an exciting and competitive year ahead. *Our numbers are at bare minimum so if you know of anyone that is considering playing this year, please encourage them to come out to training.* Thanks to all our wonderful coaches for volunteering to put their hands up this year. We welcome some new coaches and some previous coaches which is fantastic to see.

Thankyou to these fabulous ladies for their commitment to us. Please help and support these ladies any way you can throughout the season. If you have any team enquiries please speak to any of the coaches, Deb Taheny or myself.

We will again this year have rosters for kitchen bar and court duties, a lot of time and effort goes into the running of our club and our facilities so please make yourself available to work, *many hands make light work.*

Toniette Dolling is again organising our court rosters, so please be willing to put your hand up for our court duties, especially umpiring, as we can't have a game without these positions being filled.

We have a wealth of knowledge in our club when it comes to umpiring. **Mignon Dunn, Trish Siviour, Cathy Haines and myself** are all badged umpires and we have many more experienced umpires willing to answer any questions, help with any problems and assist you if you require help to become a better umpire. Please, all you have to do is ask.

Thanks to **Bec Jones** for volunteering to supply a bag of ice for each home game, we do appreciate it, hoping that we don't have to use it!

Fiona Evans is our Merchandise Manager, any uniform requirements please catch up soon, so we can all look our best for first game of the season.

Eastern Ranges Netball and Eastern Eyre Netball Association have their own Facebook pages.

We urge all players and parents to follow these pages as they have the most up to date information about what is going on in our netball world.

CENTRAL MANAGEMENT

Welcome to the 2015 Football & Netball Season. We are all looking forward to another successful season on and off the field.

There are some new faces on management with **Sarah Horne** taking on the secretary position, **Brade Schubert** for Cleve Sporting Bodies, **Mick Noble** for football and **Amy Allen** for netball. We have a great committee and look forward to having these new members to work with.

Our sponsorship has been going great and we thank all the sponsors for their continued support.

Thank you to **Mark Hannemann** and **Sheri Fischer** and their committees for all their organisation so far and we wish them all the best for the coming season.

Being involved in a club includes membership and helping on rosters. This is what makes a great club work. If you have children involved in playing you will be put on rosters. Rosters will be sent out and available on the Ranges web site, so there is no excuse for not knowing when your shift is.

We encourage everyone to be financial members, both for the support of the club and insurance reasons. If you are involved on the field or court you need to be a financial member to be covered under Eastern Ranges insurance.

If you have any queries or problems feel free to contact me throughout the year. All the best to all teams for the 2015 season.

Mick Evans
President

SOCIAL COMMITTEE

** Social Committee Members Needed **

We need some volunteers to continue the good work that previous social committees have contributed in creating a terrific social atmosphere throughout our Club, If you would like to be a part of the team, give Mark or Sheri a call. It only involves a couple of meetings a year and some help in setting up social functions throughout the year.

We have our own website

Troy Grosser has done an amazing job of setting this website up. Check it out!

This first year we are endeavouring to make it as simple as possible – if you complete all the fields below and return to Daryl Lovegrove – in person or email the form to daryl.lovegrove@bigpond.com he will add you to the system. Alternatively you can wait till we conduct some registration when official training commences .(NB you must complete each line or the registration will not work)
