## EASTERN RANGES FOOTBALL & NETBALL

**WELCOME** everyone to the start of the 2018 Football and Netball season. It was great to see a good roll out at our AGM a few weeks ago where all positions were filled. A huge thank you must go to Michael Evans who has done an exceptional job over the last 4 years as President and I look forward to working with him and the committee to see that the Ranges continue to progress and grow.

It's great to hear we have successfully recruited some new faces in both the football and netball clubs this season which is fantastic. I look forward to meeting you all and hope that you enjoy your time at the Eastern Ranges.

This is going to be another very busy season for all of us so please make sure you all do your bit, checking rosters, working shifts and volunteering to do that bit extra when you can.

Members please continue to support our very generous Sponsors of our Club. We are so grateful for the support that every one of them gives us to help run our club. They are our backbone and we need to support them to thank them for their ongoing commitment.

Well, all the best for Season 2018. Whether you are a player, coach, official or supporter, let's all work together to make this a successful one.

## RANGES WRAP- FOOTBALL

**WELCOME** all to what I believe will be another exiting year for the Eastern Ranges Football & Netball Clubs.

All home games are being played at Rudall this year. The Ranges will be hosting the Second Semi Final at Rudall on the 25<sup>th</sup> August. The Eastern Eyre Football League has a bye on the 14th July (the middle week of the school holidays).

Hopefully we will be back playing and training at both of our home grounds next season with the new clubrooms in Cleve approved and completed as soon as possible.

The Senior Football squad is training in Cleve every Tuesday evening, with the whole of Club trainings being at Rudall every Thursday night. (Note the Junior & Senior Colts will again only train once a week on Thursdays at Rudall, which will coincide with having teas available for the family afterwards).

Our senior squad has been training Tuesday and Thursday nights since early Feb with good numbers on the track, which is encouraging going into the new season.

Football and netball trainings for all grades will commence on **Wednesday the 28<sup>th</sup> of March at Cleve** due to Easter, Junior and Senior Colts starting at 5pm and seniors at 6pm.

### A GRADE - Pat Jenner

**Pat** is into his second year as coach. **Pat** along with the Club has been very busy recruiting some good experienced players to complement some exciting talented youngsters coming up into senior football. Good luck to Pat and his coaching team.

### B GRADE - Tony Evans

**Tony** has a wealth of experience playing at the top level successfully for an extended period of time. He will always put 100% into whatever he commits to and I am sure **Tony** will get the best out of this group.

Thankyou to **Steven Roberts** who has coached successfully for the last three years as coach of the reserves, winning three premierships in a row. **Roo** has decided to not coach this season. The Club congratulates and thanks him for the terrific service he has given the Ranges over those years. You handled a sometimes difficult job with ease. A terrific effort Stevie.

### SENIOR COLTS - Troy Grosser

Troy enters his first year as Senior Colts coach after successfully coaching the Junior Colts for the last three seasons (three Premierships) and was the Ranges first Reserves Coach also winning that premiership. With experience like that I'm sure Troy will do a tremendous job in 2018.

Thanks to **Kym Villis** who has also been a terrific contributor coaching the Senior Colts for all six years of the Ranges Club existence. With the highlight being the Senior Colts winning their fourth premiership in a row last year. Many thanks **Kym** for your contribution to our Clubs Juniors. **Kym** not only contributes at

Club level but has been President of the Eastern Eyre Football Junior League for the last eight years and is continuing as President in 2018. Every Club needs more people like **Kym**.

## JUNIOR COLTS - Darren Allen

**Darren** will be in charge of this group for his first year after having successfully coached our A Grade side in the Ranges first three years. He has continued to contribute with assisting in coaching Auskick and Junior Colts. We wish him well in guiding this talented young group through the formative years of their football.

## AUSKICK (MINI MINIS) -Ted Roberts

Thank you to **Ted** for volunteering his time and effort into the important task of setting up a sound foundation for our young lads again this season. Any new parents with lads wanting to join the mini minis (now known as the Auskick competition) please let **Ted** or myself know.

## NEW PLAYERS

It is great to have **Jack Kenny** and **Darci Wilkshire** back at the Ranges. Jack has been in Adelaide for a couple of years playing football for Glenelg and Pinnaroo. Jack has taken on a teaching role at the Cleve School. Darci is working in the Cleve Pharmacy. It will be great to see the two Kenny brothers playing together in the blue and white colours.

We welcome to our Club **Dean Storic** and partner Kate. Dean has previously played for Roopena in Whyalla with Damo Hannemann before moving and playing for Balaklava the last few years. Dean and Kate are now living and working in Port Lincoln.

Welcome to **Jake and Nadia Bruce**. Jake has decided to play for the Ranges after playing good football for Central Eyre over the last 10 years.

**Logan Elliott** has also moved back to work in the district. Logan has played football in Broken Hill and Cowell over the last couple of years.

We welcome a very exciting group of lads into the senior side for their first year in **Riley Haines, Dustin Harris, Jez Schubert, Kyron McCallum, Rhett Schumann and Kade Duncan**.

**Nathan Rosenswig, Brad Harris and Keegan Elson** are back playing football along with a new lad from Elliston doing the Ag course in Ree Martin.

## EXITING PLAYERS

**Nathan Byrnes** and **Jonno Forrest** have all moved to Adelaide to study. Nathan and Jonno are playing football for Hummocks Football Club.

**Clay Peters** is living and working on the families northern property and has decided to play for Kimba.

**Andrew and Renee Kelly** have also moved to the Mid North for employment.

**Tom Forrest and Emily Hannemann** are playing for Eyre United this season due to employment.

Many thanks for all for your input into Eastern Ranges and good luck in the future.

**Wade Mason, Rhyce Beinke and Brent Gray** transferred to the Tasmans Football Club. **Alex Sampson** has signed on with Marble Range. We would love to see these lads back living and playing football for the Eastern Ranges next season.

## SOME NEWS ON FORMER PLAYERS OF OUR CLUBS:

**Sam Gray** has now cemented his place in Port Power Senior side, playing over 50 games. **Tom Gray** has signed on with the Eagles for his first season away from the Port Adelaide Magpies. **Kyle Jenner** is again at Central Districts. **Cole Gerloff** has been added to the Norwood Senior squad. **Cameron Taheny** is participating in stage 1 of the AFL under 18 Academy. Cameron will be heading to New Zealand to represent Australia in under 17s vs NZ Senior team on Anzac Day. This is a very exciting time for Cameron and his proud family. It is great to see these local lads achieving well at these higher levels. **Alex Villis** has also decided to give League football another go and has signed on with Norwood. Good luck Bullfrog hoping your season goes well. Some other lads from our region, **Tyson Jenner** (Mallala), **Shannon Jenner** (Kadina) and **Harry Dunn** (Bute). Good luck to all these players.

## CHAMPIONS ACADEMY

The Eastern Ranges Football and Netball are participating in the Champions Academy for the next two years. The Club is financially supporting this venture to help secure and strengthen our future. We have identified the need of a succession plan for the leadership roles with in our Club. We have four netballers willing to give their time and energy to the program. We desperately need footballers to participate in the program. Please let Angela Harris or myself know if you are interested in being involved.

## FUNDRAISING

The Football Club has taken on some additional fundraising this year. In October we bought 250 sheep. We have grazed them on the Nields property for the last 4 months. We have joined them with Uralba White Suffolk Rams. Shorn them 2 weeks ago and sold them bare shorn and in lamb for a good profit. Many thanks to Mick Noble for all his help in setting up and running this project, Elders Rural and Stock co (which is a livestock financing product). Joel, Emma, Blake, Britt, Ricky and Kathy for their generosity of agistment for these sheep on their property, use of their water and shed etc. Paul and Toniette Dolling (Uralba White Suffolks) for use of rams. Trent Harris, Paul Dolling, Steve Roberts for general help and assistance in the project. Mick and Tony Evans for the use of shed, yards and holding paddocks. Rhett Morrow, Joel Nield, Johnny Noble and Mick Noble, Paul Peters for shearing of the sheep and all other members who helped in any way.

Feel free to approach me or any of the committee on the details on page 5 you have any concerns regarding football throughout the year.

Good Luck to all players and volunteers on a terrifically enjoyable 2018 season.

### CHAMPIONS ACADEMY

I would like to introduce to all members our 2018 Champions Academy participants.

**CARMEN HAMPEL - MENTOR**  
**KELLY SMITH - AMBASSADOR**

**MEGAN TURNBULL - MENTOR**  
**KIRSTY SEGON - AMBASSADOR**

The Champions Academy kicked off on Sunday 18th of March with an Induction Day held at Darke Peak. This was a fantastic day, filling everyone with hope, anticipation and eagerness to learn, ready for an exciting few months ahead.

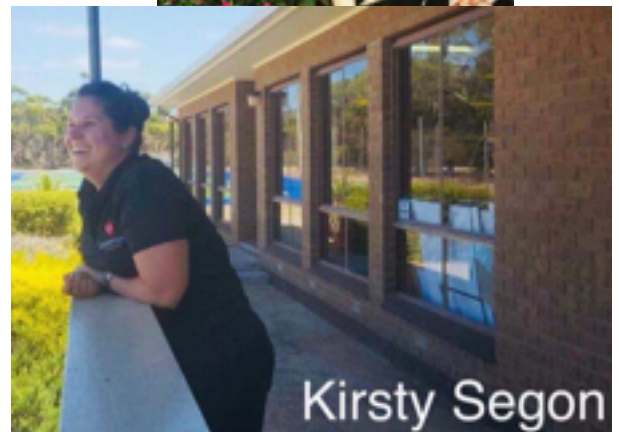

The Champions Academy is a personal development program and already we are seeing participants looking deeper into themselves and discovering why we do certain things, act certain ways and also why other people act the way they do. This is all part of the program and helps us better understand ourselves and others and then we can build on this, creating confidence and skills to use in our own private lives and also out in the broader community.

Our communities need us to step-up, have a say and participate in keeping our clubs, businesses and each other, healthy and thriving. They all work together and when we stop or have the attitude of "someone else will do it", then our clubs disappear, which puts a strain on businesses, which in turn sees a decline in communities and then whole towns disappear. This has been happening for many years and until we step-up and give a hand, this will continue to happen. This is the message of the Champions Academy!!!

**We still have no football representation for this program and it is really sad that the netball club has to go through this alone.** I would have thought that Eastern Ranges Football and Netball Club meant we were a TEAM and that we work together, not individual clubs that do things by themselves. Unless we have tried this program, we cannot say that it isn't going to work or that it is a waste of time. We need to give it a go first.

**If you are involved with the Football club and would like to jump on board, there is still time.**

Cowell have another footballer interested and so do Kimba, so we can run a condensed session that we just had on Sunday, on another time to catch up those that would like to join now. Please consider this and let me know if you are interested.

Thanks
