Congratulations to all the Premiership teams for Season 2018 - B Grade and Junior Colts Football and the A Grade, D Grade and E2 Netball teams. It was once again great to see so many of our teams make the Grand Final. To have 6 out of 7 netball teams and all grades of football in the Grand Final was an amazing effort. Well done to everyone involved.

A massive thanks to both the Football and Netball committees for all of your hard work throughout the season. To Mark Hannemann and Carmen Hampel, thank you for your time and effort that you have dedicated throughout the season.

Thank you to all the members for your efforts through the season filling all the rosters and jobs and also for the extra time and effort that was needed during the Field Days. All club members helped out where they could and once again the Eastern Ranges was able to raise some good funds to keep the club going.

Thanks to the Rudall Community Sports Club for providing us with great facilities to train and play at each week. It is a big job and you would all agree the facilities were always exceptionally presented week in week out. We look forward to the next stage of the Cleve Sporting Bodies and the building of their new Complex for us to play at in the future. We wish you all the best during this time and look forward to seeing and maybe playing at the brand new facilities in 2019.

Our Central Management committee continues to work well together. Thanks to Mick Evans for his continued support to me in my first year as President. Sarah Noble our very organised Secretary (even with a new born) and Hannah Schubert who over the last couple of years has really got our financials up to scratch and all into place. Unfortunately for us Hannah has handed in her resignation so we are on the lookout for another Treasurer. Hannah is more than happy to help out and assist the new treasurer where she can. So if you might be interested please have a chat to her or myself. Thanks to all my other committee members for your continued dedication to the Eastern Ranges.

Our AGM will be held in February so please try and get along and hear how our year has gone. Good luck to everyone who is involved in summer sport and we look forward to another exciting year for the Eastern Ranges in Season 2019.

Julie Burton

President

Congratulations to all members who have contributed to the Eastern Ranges Football & Netball clubs throughout 2018. It's been a mixed year as far as our Club is concerned. This year we had a great year in Junior Football taking out the Junior Colts again but we were unable to overcome a very good Ports Senior Colts team.

Our senior team made the Grand Final but unfortunately probably played our worst game for the year in that game. The Reserves had a great year winning its fourth Premiership in a Row.

Thanks to the Football Club committee for 2018, a **special personal thanks to Troy Grosser** as Secretary he has done a terrific job putting hours of his time into this club which is greatly appreciated. Troy does a huge amount of work and is very good at what he does. This bloke has been unbelievable in the 7 year history of the Eastern Ranges. If there is a job to do Troy will never say no. Be it coaching Reserves (one year), Junior Colts (three years) or Senior Colts (one year) Troy will do it. Secretary for 4 years great job, set up and run the very good Eastern Ranges Web page, written many match day Tribune reports and coached Association teams. This will be Troy's last year of involvement with the Eastern Ranges. I would personally like to thank Troy for all the time and effort he has put in to help me over the years and all the work he has done to help setup the Eastern Ranges Football Club. Whatever you end up doing and where ever you and your family end up I wish you all the best of luck.

We had our Football AGM several weeks ago which was well attended and I would like to thank all members who attended. I believe many who took the time to attend would now understand a little better how the whole Football, Netball and the Governing Body the Eastern Eyre Ranges Clubs are set up and how they function. We had a robust discussion on some of the restricting issues we have within our Club today and the changing landscape of the Football Club today compared to 7 years ago. If you were unable to attend make time to talk to someone that was at the AGM and generate some discussion so you better understand some of the suggested changes to the Constitution. Some notices of motions will be tabled at Eastern Eyre Ranges Management Committee shortly with the hope these possible changes will be addressed at the AGM in February. Please find out as much as possible about the suggested changes to the constitution and come along to that meeting to have a say as to how our Club is setup and run.

I would like to take this opportunity on behalf of the Football Club and the Eastern Eyre Ranges to thank the blokes who are getting off of the Committee this year. In particular Troy Grosser and Jason Burton have both have been instrumental in the successful establishment of our Football and Netball Club as it stands today. Troy as I mentioned earlier has been a great servant for the Club from before inception and if not for Troy's efforts the Club would not be as strong and well run as it is.

Jason also has had a huge input into setting up the Ranges from the very early days. Both should be very proud of all the time, work, effort and dedication they have done to setup and establish the Ranges Club.

It's great to see some new faces in Ange Harris and David Simes on this important committee.

A terrific effort by everyone this year. The Footy Club undertook several major fundraisers which were well supported and successful. These included the sheep project (240 young ewes were purchased, mated, shorn and sold), the firewood cutting day and the Field Days. We were lucky to have the courier service (a huge job but a good return), car parking and erecting and dismantling hoeckers. Thank you to all members who volunteered their time to help the football club, I know it is a busy time for you all but we do appreciate your time.

PAST PLAYERS

**Kyle Jenner** played his 200th League game (40 odd for the Port Adelaide Magpies and the remainder for the Central Districts Football Club). He was presented Life Membership to the SANFL. Kyle has forged himself a terrific career.

**Sam Gray** continues to impress at the Port Adelaide Power. He has now played 76 AFL games. Sam was awarded Life Membership of the Port Adelaide Football Club in October.

**Tom Gray** changed Clubs in 2018 from Port Adelaide Magpies to the Eagles. He has worked his way into playing regularly in the Eagles League team but unfortunately Tom damaged his Knee during the finals and has under gone an operation on his ACL. Hoping his recovery goes well.

**Cole Gerloff** has had a breakout year with the Norwood League team this season. Playing his first senior game earlier in the season, going on to play 8 League games including the Grand Final which, unfortunately for Cole, they lost to North. Well done Cole.

**Cameron Taheny** is participating in the AFL level 2 Academy. He played on the MCG Grand Final day in a lead up game to the AFL Grand Final. Cam has also been playing for Norwood under 18s which were unfortunately beaten by 5 points in the Preliminary Final and missed playing in the SANFL Grand Final.

**Darren Smith** was inducted into the SANFL Hall of Fame. Darren played 343 League games for Port Adelaide Magpies, kicked 505 goals and played seven State games. Seven premierships with the Magpies. Nine games with the mighty Crows. Darren was awarded Life Membership of Port Adelaide in 1993. It was very exciting for Darren and his family to receive this recognition for his service over the years.

**Andrew Jenner** Congratulations to Spud on receiving his SANFL Merit award at Adelaide Oval. This award truly acknowledges the huge amount of input Andrew has given back to the game of football in the last 35 years. 2018 was a successful year in my eyes. With some new leadership roles and plenty of new players joining our club everybody appeared satisfied. I'd like to thank everyone for being so welcoming, patient and helpful to Megan and myself in our new roles.

Thank you greatly to the committee throughout the year who helped the season run so smoothly. We should be very proud of the club that we are a part of. The many volunteer hours that are contributed definitely show. We had success on and off the court. Congratulations.

We also had a terrific bunch of ladies on the coaching and umpiring side of things. Thanks for all your time and effort in these sometimes thankless jobs.

The Social committee did an amazing job and I think we can all agree that the entertainment and having the bus as an option kept people in the club. Socializing is a huge part of why we play sport so thanks for that opportunity. Great work.

There are many additional games and carnivals throughout the season that our netballers are expected to participate in. Everyone thrived at these opportunities and our individuals and teams did us proud.

Individually our club did exceptionally well. Every junior grade winning a Best and Fairest and five winners or RU in ours Seniors. Ava Jenner, Clairra Weiss and Madi Allen in the juniors respectively. Seniors Nat Roberts B/F and Ange Harris R/U in C2, Amanda Price R/U in C grade, Lauren Simes Best U21 and Keely Mason A grade. Congratulations players these personal accolades are a great achievement and will be remembered.

The Champions Academy program has completed its pilot year, and those that participated found it very rewarding. I was one of these candidates and can definitely recommend it to future participants. To really implement change and continued success we need to have more complete this program. It comes down to everyone is busy but how much do we value what we have!

Eastern Ranges netball season was very successful. We had all grades except one in the grand final

and were premiers in A, D and E2. The B, C and C2 can hold their heads high with close games. These team efforts from our club are something we should be proud of. This success is correlative of the professionally run trainings and our coaches. We should be proud.

I look forward to the 2019 season with returning and new players, coaches, umpires, parents and supporters once again. Please continue to support our club and we'll have another fun and successful season on and off the court.

Thanks

How lucky are we as Eastern Ranges Football and Netball Clubs to have such wonderful support from our Sponsors. This season was the start of the Major Sponsors 3 year deal. We had an outstanding response and ended up with 14 Major Sponsors. This is massive and such an awesome achievement for the club. Along with this we had tremendous support from our Gold, Silver and Bronze Sponsors also. Whatever the level of support we are very grateful to all the businesses that are willing to give our club a hand. Make sure over the summer months that you are still supporting those that are support us. Be sure to have a read over the Sponsors list again. We have attached the Sponsors Digest to this newsletter for you to refer to.

Our Grain & Grazier families are also a valuable part of our club. Their grain donations are certainly appreciated and a good source of income for our club. If you are a farming family and would like to become a Grain & Grazier Donor for Season 2019 then please get in touch with me. If you have donated before then please feel free to transfer your grain to our NGR and just let me know when you have done this. Thanks to Troy Grosser for all his time spent coordinating the donations for the last 7 years.

We are also looking for someone willing to help Mark and myself out on our Sponsorship Team. We have both done this for 7 years and would like to get someone new involved to see how this very important part of our club is run. If you are interested please speak to Mark or myself.

To all of our Sponsors, **THANK YOU** and we look forward to a continued relationship in Season 2019. We will be in touch in the New Year inviting you to once again be part of our Eastern Ranges Football and Netball Club.

This harvest season you could help the Eastern Ranges Football & Netball Club. We have two Sponsorship agreements with 2 major Grain Buyers: CBH grain and Glencore Agriculture.

If you sell any grain through them, please ask for sponsorship to be added to the Eastern Ranges Football & Netball Club and they will chip in \$0.20/tonne from their own pocket to us as sponsorship.

THIS costs you NOTHING but HELPS us GREATLY!!

Any questions contact Julie Burton 0429 207084

## Grain & Grazier Donations

We would like to invite farming families from the Eastern Ranges to donate grain this harvest. Any donation of 2 tonne or more of WHEAT will see up to one family subscription paid from your donation. Farmers names will be listed on a Grain & Grazier's Board and acknowledged in our home game budgets

Our NGR Is 13249411

Any questions contact Julie Burton on 0429 207084

# Congratulations

**Mark 'Hangers' Hannemann**

who has been nominated for the

**Pringles Crouch**

**Extraordinary Person Award**

If there has been one constant in the success of the Eastern Ranges Football Club since its formation in 2012 it has been our only President - Mark Hannemann

Mark has also represented the club as our Eastern Eyre Football League delegate for each of those years providing great to service to both club and the controlling body.

His attention to detail, fair mindedness, passion and firm belief that a strong sporting club paves the way for a stronger more resilient community has him a standout contender for club person of any year.

As with all executive positions, we see the speeches and acknowledge their visible contributions - be it running (that might be overstating it) water for the A & B Grade or doing the scoreboard to cover somebody who couldn't do it, bar shifts, working bees, social functions and the list goes on - week in week out but it is all the behind scenes work where Mark excels.

Countless phone calls, not to mention the time spent smoothing out a controversy, filling rosters for fundraising ventures (e.g. Field Days), arranging for our Juniors to play at half time of AFL fixtures (twice) or arranging visits to the Powers training facilities, coordinating accommodation and shoring up numbers, remembering we live 500kms away.

Mark has overseen the Eastern Ranges sponsorship program and its spectacular growth is a reflection of the work he puts into it and his ongoing promotion of those sponsors.

His efforts in coordinating a highly successful fundraising night for former residents of the district suffering MS (was hardly a dry eye in the club that night) is a legacy that has Mark Hannemann written all over it.

And it is with much pride that Eastern Ranges nominate Mark Hannemann for Club Person Of The Year.

pringlescrouch

Keep an eye out on the Pringles Crouch Facebook and when voting opens please vote for Mark.

The Cleve Sporting Bodies are very excited to announce that they received a \$630k grant from the Office for Recreation, Sport and Racing.

Work began immediately, and the building has started to be demolished and should be removed by the end of November.

December will see the pad preparation begin, ready for construction of the shed straight after the Xmas period.

We thank everyone for their support so far and invite everyone to be involved in the new building. There will be plenty of working bees coming up over the next twelve months, and it will be great to see as many Eastern Ranges members as possible, helping us out with this great project.

## Hello Ranges Family

We would like to thank everyone for their on-going support, we really appreciate it. Currently we are staying at the Leukaemia Foundation Village at Northfield. This purpose-built complex was open 5 years ago and includes 15 two and three bedroom apartments, as well as recreational facilities including a games room, gym and children's play area and playground. It has been designed specifically for the special needs of people staying there, taking into account factors such as a patient's reduced immune function during treatment and the importance of creating a supportive and relaxing environment for families at such a difficult time. We have met many families at the village who have given us great advice and support. The village is a 15 minute drive to the Women's and Children's Hospital so it's very convenient for us. Rocco and Capri go to Hospital school from 9.30-12.00 most days and they absolutely love it. The teachers are amazing and seem to enjoy having the Nield kids. Rocco's treatment is going really well. His hair fell out over 3 days and he didn't mind a bit thanks to all the Ranges footballers making it really cool to have no hair! He is on a high dose of steroids as a treatment for the cancer, unfortunately it does give him steroid rage which is just horrible. This will go once he finishes the steroids. We have been told we will be home mid December and can't wait! Thank you to the Eastern Ranges Club for all the support given to us.

With love Joel, Emma, Rocco, Capri & Maisie.
