

EASTERN RANGES FOOTBALL & NETBALL THE RANGES WRAP

Issue #2

February 2012

Welcome to the second of our regular updates as we progress into season 2012 - the inaugural year of the Eastern Ranges Football and Netball Clubs.

Now that Christmas, the New Year and school holidays have all been celebrated, it is now an exciting time as we work on getting teams onto courts and ovals.

The Eastern Eyre Football and Netball season will comprise of 5 rounds in 2012, commencing on Saturday April 14th. Please see the attached Program for game and training venues and dates.

FOOTBALL

A number of senior footballers have been doing a bit of regular fitness work once a week in the lead up to official pre-season training which commenced on Tuesday the 7th February. It was a fairly casual night with about 40 footballers blowing out a few cobwebs – training was followed by a BBQ tea and a bit of socialising. From here on in (leading up to our first game on the 14th April) senior training will be twice a week, Tuesday & Thursdays nights. You will find both the Junior and Senior schedules for the next 2 months attached.

Junior and Senior Colt training officially starts on Thursday 22nd March 5pm at Rudall.

All football coaching positions have been filled with Darren Allen taking charge of the A Grade, Troy Grosser the B Grade, Kym Villis the Senior Colts and Kane Schubert the Junior Colts.

We are hopeful of playing a “mini – minis” game each week - across the ovals before the junior colts. Jason Burton is currently the prime-mover of this initiative, so if you have some time to give please catch-up with him.

**General Meeting Tuesday 15th March
7.30PM : Cleve Sporting Bodies
*See detail below***

A general meeting is scheduled for the 15th March with the main business being organising the support personnel required to make matches happen; e.g. boundary umpires, goal umpires, runners, timekeepers, gatekeepers, trainers, etc ; once we have an indication of interested supporters (if you are “past-it” (playing that is) we’d love to see you remain involved) we can go about organising rosters etc.

NETBALL

At this stage Eastern Ranges Netball Club are looking at nominating all senior grades, 2 x D grades, 2 x E grades, E2 & F grade. There is also the possibility of filling an extra senior team.

Our aim is to attempt to accommodate all interested players and promote positive netball. We encourage all players, senior and junior, no matter what skill level to come along and have a run.

The Netball General Meeting was held on Monday 20th February at Rudall, and we thank all the players, parents and supporters who came to show their support.

TRIAL GAME

A Football and Netball Twilight Trial Game was to be played on Saturday 31st March at Cleve against Tumby Bay, however, Tumby Bay cricket finals commitments have precluded them. Negotiations are currently underway to find a replacement team. It may be that we resort to some internal trialling. Coaches will update players at training sessions and should an opposition come to light—watch this space, the school newsletter and or listen in for a 5CC update from Sharon Crettenden
