

# THE RANGES WRAP

Eastern Ranges Football & Netball

Issue #20

March 2019

## CENTRAL MANAGEMENT

Well here we are at the start of the 2019 Football and Netball Season. I hope that you are all looking forward to another busy and enjoyable year at the Eastern Ranges.

I would like to welcome all new players and any new families to the Eastern Ranges. Thank you for choosing to come to our club and I am sure that you will enjoy the friendly and family atmosphere here at the Ranges. Let's make all of our new members feel very welcome around our club and I look forward to meeting you all throughout the season.

We held our Eastern Eyre Ranges AGM a couple of weeks ago and it was fantastic to see so many people there supporting their club. The position of Vice President was left vacant but since then Darren Allen has volunteered for this position so I welcome Darren to our Committee. Huge thanks goes to Michael Evans, our outgoing Vice President who has been on Central Management for many years. His contribution to the club has been exceptional and I cannot thank him enough for all that he has put into the running of the Eastern Ranges. We also thank and farewell Lauren Siviour from our committee.

Subscriptions have gone up slightly this season but this is to cover Registration costs for the Football and Netball. As a club we have to pay a lot to be affiliated with Netball SA and SANFL. Sports Vouchers will once again be available for all Primary aged students to the value of \$100 this season, so we do encourage you to use these.

It will be no doubt another very busy season for the Ranges so make sure you put your hand up to help out and do that extra bit when you can.

Once again all home games will be played at Rudall however it is very exciting to see the construction underway for the brand new Cleve Sporting Bodies building. We look forward to playing back in Cleve once it is completed which will be more than likely the start of next season.

Members please continue to support our valued Sponsors. They are the backbone of our club and we would be in real trouble without their support

So remember to have a look at who supports us so you can support them. Last season wasn't the best within our Community so we all need to look after each other. They need us and we need them.

So all the best for Season 2019 and let's continue to work together to make Eastern Ranges a successful club that we are all very proud of.

Julie Burton  
President

## April

## TRAINING DATES

Thursday 4th April	CLEVE
Thursday 11th April	CLEVE
Wednesday 17th April	RUDALL
Tuesday 23rd April	RUDALL

Welcome all to another exciting year for the Eastern Ranges Football & Netball Clubs.

Once again all our home games are being played at Rudall this year and the Ranges will also be hosting the Preliminary Final at Rudall on 31<sup>st</sup> August. The Eastern Eyre Football and Netball Junior medal counts and presentations will follow the Preliminary Final. The 2019 season also sees the league having a bye on the 13th July (the middle week of the school holidays).

Construction of the new clubrooms in Cleve has started and hopefully will be completed as soon as possible so that we can be back playing and training at both of our home grounds next season. A benefit to both Clubs that we can once again support them both.

The Senior football squad will train in Cleve every Tuesday evening all year round.

The whole Club (Football & Netball, Juniors and Seniors), will commence training on the 4<sup>th</sup> April in Cleve, with junior and senior colts starting at 5pm and seniors at 6pm. The 11<sup>th</sup> April training will also be held in Cleve and our first club training at Rudall will be on Wednesday 17<sup>th</sup> April (due to Easter) and will continue every Thursday night for the remainder of the season. (Note the Junior & Senior Colts will again only train once a week on Thursdays at Rudall, which will coincide with having teas available for the family afterwards).

Our senior squad has been training Tuesday and Thursday nights since early Feb with good numbers on the track which is encouraging going into the new season.

Many thanks for all for your input into Eastern Ranges and good luck in the future.

## Troy Grosser

Both Troy and Meagan's families have been strong contributors to setting up and building many of the great community assets and strong values we have in our community.

Troy has been a great contributor in setting up the very successful Eastern Ranges Football and Netball Club as it stands today.

Troy was on the original Rudall Task Force which was instrumental in the joining of the Rudall and Cleve Football and Netball Clubs.

Clarrie has taken on many jobs within the Football Club.

- 2012 first Reserves Coach, Premiership
- 2012 Set up the very good Eastern Ranges Web page.
- 2015, 2016, 2017 coached the Junior colts. Three Premierships. Had a great relationship with that group of lads.
- 2018 coached the Senior Colts. Runner-up that year.
- 2014 Vice President of the Eastern Ranges Football Club.
- 2012–2013 Ranges delegate to the Eastern Eyre Football League.
- 2015–2018. Four years Eastern Ranges Football Club secretary.

It was through this time that I really got to know Troy and got to appreciate the time and effort that he has contributed to not only the Football Club but all the other positions and jobs he has taken on, to generally improve and make our community a better place.

To Troy, Meagan, Emma, Brooke and Jack, the Eastern Ranges Football Club sincerely thanks you for your huge contribution to our community over a long period of time. We would like to wish you all the best in your future life in Adelaide.

## Fundraising

The football Club has taken on some additional fund raising again this year. In late October we bought 210 Lambs. We have grazed them on Trent and Ange Harris and Roo, Nat, Ted and Erin Roberts's properties for the last 4 months. We are hoping to sell these sheep shortly.

We have also taken on the agisting of 330 lambs for 5 months. These sheep have been on Trent and Ange Harris and the Evans properties. A big thank you to all for your generosity of agistment for these sheep on your property, use of your water, shed etc. and your time to continually look after and check these sheep.

Many thanks to Mick Noble for all his help in setting up and running this project, Elders Rural and Stock co (which is a livestock financing product).

Trent Harris has been terrific in his general help and assistance in setting up and organising this project. A big thank you to all members who helped in any way.

## CHAMPIONS ACADEMY

The Eastern Ranges Football Club are very keen to participate in the upcoming Champions Academy for this year. The Club is willing to financially support this venture to help secure and strengthen our future.

We have identified the need of a succession plan for the leadership roles within our Club going forward. Any member who intends for themselves and their family to be involved in our football and netball Club in coming years should seriously consider participation in this Program.

It can be a challenging thought of taking on any of the roles within our Club but these roles are a great way to build yourself as a person and extend your skill set while putting back into the community.

I encourage all members to seriously consider participating in this wonderful opportunity to better yourself and strengthen our Clubs future!

We have four netballers and no footballers willing to give their time and energy to the program. We desperately need another four people, parents and/or footballers/netballers, to participate in the program. Please let me know of anyone interested.

It has been a difficult task and ask everyone to keep patient and continue putting in 110% as the season is only just beginning and there are always changes. Thank you to Mignon Dunn, Trish Siviour, Cathy Haines and Sarah Rudd for umpiring these trials and look forward to your valued specialties throughout the year.

Thanks to Megan Turnbull and Carmen Hampel (Mentors) and Kirsty Segon and Kelly Smith (Ambassadors) we have heard great things coming out of these sessions. We are looking for two new Ambassadors to participate in the program this year. I guarantee you won't regret it and the life skills you learn will benefit you and our club immensely. The Eastern Ranges Football and Netball Clubs are so lucky to be supported by so many great businesses. In Season 2019 we have our 14 continuing Major Sponsors:

Ahrens, Bendigo Bank, CBH Group, Cleve Hotel Motel, Cleve Rural Traders, Direct Fuels, Elders Insurance, Glencore Agriculture, Goodyear Cleve, Pringles Crouch, Quinns Overnight Freight, Quinn Transport, Ramsey Bros and Territory Trade Services.

We are very appreciative of the generosity that these 14 businesses have given our club. Letters have been sent out to all Sponsors from last season and potential new Sponsors and we are getting a great response so far. Until we can release 2019 Sponsors, please refer to our list from last season and support them. Hopefully most of them will choose to come on board again and be willing to support us.

Mark and I welcome on board Kathrine Catanzariti (Norris) to our sponsorship group. Both Mark and I are very excited to have her join us and look forward to new and fresh ideas. With her Journalism background and bright personality she will be the perfect for our Sponsorship drive. Grain & Grazier donations are a bit down this year so if you still have some grain in warehouse or you would like to donate one tonne in dollar value please let me know. We really appreciate the support from our farming families as well as all of our other Sponsors.

Please have a look at the Sponsors list in this Wrap. Continue to support our Sponsors wherever you can and hopefully they will return the favour to our club.

We thank each and every Sponsor from Season 2018 and look forward to continuing our relationship in 2019.
