

EASTERN RANGES FOOTBALL & NETBALL THE RANGES WRAP

Issue #3

July 2012

Welcome to the business end of season 2012, with the Eyre Peninsula Field Days a fortnight away and finals just around the corner it is going to be a busy time both on and off the field.

Congratulations to the merchandising committee, they have done a fantastic job in designing the blue and white apparel. It is great to see the way members have embraced the clothing options and everywhere we go the sea of blue and white certainly stands out and has been the catalyst for much positive comment—even from the opposition—well done everybody!

Rosters for our Field Day catering are attached to this newsletter. This is another opportunity to raise funds for our club and help put us in a strong financial position. As this is a major fundraiser for our club please ensure you do the right thing and show your support. If you are unable to make a shift that you are rostered please ensure you get a replacement. Thanks to Leonie Story and her team of dedicated helpers for making this happen.

FOOTBALL

The club song is being sung often (and with much gusto) so we must be winning games, and winning we are. But for a B Grade loss to Kimba on the 7th July the Eastern Ranges would be sitting atop the A Grade, B Grade and Junior Colt ladders.

Success doesn't just happen, it is reward for effort and with a culture of everybody getting to training regularly that reward is becoming self evident.

The mini mini's are enjoying their half time escapades and thanks goes to Jason Burton, Matt Price and Al Schumann for organising this time slot and to Chris Provis for umpiring.

There are still a number of Police Check Forms outstanding, please return to Scratch ASAP

On June 28th Andrew Taheny (along with Jason Burton, Matt Price, Michael Evans, Tom Gray and Jake Keane) conducted a skills session (you had to be there to see some of the "hangars" these boys were pulling down), which was followed by a game, pasty tea and video replay. The night was well attended by parents and grandparents and we look forward to more similar sessions and the ongoing development of our future players.

On Saturday August 18th the Junior Colts are having a camp-out at Turnbolls—the old mini colts carnival ground. There will be a BBQ Tea and breakfast the next morning and possibly lunch, so dust off your swags and let Robert Haines know if you will be attending so he can organise the catering.

Inter-league Representation

We have been well represented in inter-league competition and congratulations to the following players (and their parents in the case of the juniors) who made the commitment to represent our Club at a higher level.

NETBALL

The inaugural Eastern Ranges Netball season has progressed well and seen a lot of netball being played. There have been numerous mid-week games, Association Carnivals and local carnivals which have given our girls the opportunity to play a lot of netball and set up our club for the march towards the finals.

Seniors

The A grade have had some big wins and some close games and are currently sitting in top position with 10 wins and one recent draw to their arch rivals Kimba.

B Grade are currently in third position, not far behind the two Kimba teams and have been combining well.

The C grade competition has been an interesting one and the C grade players must be commended on tolerating the amount of travel and mid-week games that have been played. It is a close competition with Ranges Blue sitting third and Ranges White fourth. Blue and White still have one more game to play against each other on Thursday August 2nd at Rudall, so come and show your support to both teams as the Eastern Ranges.

The C2 girls are combining well at the right end of the season. They recently had a massive win over Kimba and are sitting in second spot on the ladder.

Juniors

Tania Mason is doing a fine job with the D grade and is effectively managing to rotate her 10 players. This talented team is on top of the ladder with 9 wins and 2 losses.

The two E grade teams are sitting in third (Ranges White) and fourth (Ranges Blue). They have had tight tussles between each other and are both playing Cowell at Cleve on Sunday the 22nd July (White at 10am and Blue at 12pm) so come and show your support to our young Ranges.

The E2 team are in third position and have shown a lot of improvement so far.

Jodi Hannemann has done a stellar job with the keen F graders. They have improved remarkably and all very enthusiastic to learn.

SOCIAL COMMITTEE

The Social Committee have been active with a number of events being very well supported.

The player's auction generated widespread interest (and a few dollars) - in hindsight the Wildcard group probably got under everybody's guard, except for Taris who had a bit of inside knowledge.

The Mouse Races were a raging success. Hannah Schubert has been added to the Olympic High Jump team and based on her performance that night is likely to be on the podium. Well done to Jonny Noble and his team of bounty hunters.

The club abounds with hoarders—you only had to check out the 90's night attire, some stuff never makes it to the charity bin.

The Darke Peak Golf Course is in magnificent order and if you get the chance to have a hit you should take it. About 30 members enjoyed a relaxing day there a couple of weeks ago, a BBQ lunch, a few pars, a couple of birdies and few drinks around the campfire was a relaxing way to reflect on the Crows crushing defeat of the Power.

Saturday 14th July was Call To Arms Day with \$640.00 being donated to the Cancer Charity—thank you to the local businesses for their donations and to everybody who supported this cause.

GLENCORE GRAIN SPONSORSHIP

When contracting for the 2012/13 season with GLENCORE, mention the Eastern Ranges and they will donate 20 cents per tonne to our club.

NB: It must be stated on the original contract so don't forget to mention the Eastern Ranges.

SPEED LIMITS

We have a very large contingent of young kids in the club, many of whom are not old enough to have good road sense—please be aware of them, slow down, don't get lumbered with an irreversible consequence

A word from our President....

As you can all see, our budget shows that we need to continue with our fundraising as our costs to set up and continue to operate in our first year have been high and we cant rely on the generosity of our sponsors to keep the club in a strong financial position. With Field Days coming up, can members make their availability known to the co-ordinators for the Catering Shed and Hocker building as we need all or as many hands to help complete these jobs. Especially if you are located in the Cleve township as there is no need to travel and our farmer members may need to be spraying or completing livestock jobs. Finals are also coming up and as we have the Grand Final, with the membership base that we currently have, anybody who has not been involved with working bees or fundraising projects need to please volunteer your time as this takes the pressure off of the members who seem to be involved on a regular basis. At the end of the day it is your club so please pitch in. Cheers, Brydon Young
