

EASTERN RANGES FOOTBALL & NETBALL THE RANGES WRAP

Issue #5

March 2013

Welcome to the first of our regular updates for 2013

The Eastern Eyre Football and Netball season has been pruned to 4 rounds in 2013, and we will play our first round matches against Cowell in Cowell on Anzac Day - Thursday 25th April. Later in the year, the weekend of the 13th July has been programmed as a bye so will be an opportune time to escape with the kids for a while.

FOOTBALL

Training "started" early last month for the Senior Footballers and it was pleasing to see good numbers on the track — Training will commence in earnest from Wednesday 27th March, when all grades of Football and Netball (Junior & Senior) will hit the track (or court) in Cleve — teas will be available upstairs afterwards.

The years training and playing schedule can be found at the end of this communiqué.

Junior and Senior Colt training officially starts on Wednesday 27th March 5pm at Cleve.

The coaches for this year are as follows:

A Grade - Darren Allen (2012 Premiership Coach)

B Grade - Don "Beetle" Bailey -
of "Up There Don Bailey" fame.

Senior Colts - Kym Willis
also continues as the EEFL Jnr President

Junior Colts - Kane Schubert -
looking for back to back premierships

**General Meeting Thursday 21st March
7.30PM : Cleve Sporting Bodies
See detail below -**

A general meeting is scheduled for the 21st March with the main business being organising the support personnel required to make matches happen; e.g. boundary umpires, goal umpires, runners, timekeepers, gatekeepers, trainers, etc ; once we have an indication of interested supporters (if you are "past-it" (playing that is) we'd love to see you remain involved) we can go about organising rosters etc.

Child Protection Officer - we thank **Tarsh Agars** for taking on this responsible position within the club and hope that we don't have cause to activate her role
Refer to the notice in each club for more detail of the role

The Footballers had a successful fundraiser "crutching" day at the Presidents Mount Rough property a couple of weeks ago—good to see a few novices getting their hands dirty - Scratch didn't last too long and was soon back cooking the BBQ.

INSURANCE:- through the AFL we provide basic cover - \$2,000 limit per claim of out of pocket non medicare expenses. *It does not cover loss of income*

Major Sponsor - **ELDERS INSURANCE** have a very competitive Loss of Income package for locals, - get \$500 per week cover for a \$300 premium;

Contact Brydon or Kane for further detail.

Anti-Doping Message from Community Football -

whilst we all think AFL when drugs in sport hits the headlines there are implications at a local level particularly where people are buying "dodgy" supplements over the internet - the following is an extract from an AFL fact sheet - »» **Any player purchasing supplements over the internet risks being identified by Australian Customs and referred to ASADA for investigation with the likely outcome to be a sanction under the AFL Anti-Doping Code;**

Image Waiver - to comply with legislation the club and the league requires consent for photos of minors to be published - e.g. Team Photos and League Medal Presentations. A proforma will be included with membership applications - please sign and return, we would hate to have to exclude your Johnny or Jimmy because we did not have an image waiver signed

Player Movement - welcome Pat Jenner—you'll have to excuse his pseudo Pommy/Euro accent. And we say goodbye and thanks to the following Premiership Players - Jake Keane, Tom Forrest and Tom Gray and wish them well in their future football endeavours

Social Committee - The Social Committee did a fantastic job last year with some great functions throughout the year—the football club is looking for 3 reps to be part of the Social Club Committee—if you are willing let a football committee person know.

NETBALL

The 2013 Netball season is fast approaching. We are again fortunate to be in the position of having excess numbers for both Junior and Senior grades. Our ultimate aim is to enable all players whom want to play the opportunity to get on the court and play netball.

In the Junior grades, the Eastern Ranges Netball Club have nominated 2 x D grades, 1 x E grade, 1 x E2 & 1 x F grade. Due to Senior numbers we have asked the association to again allow us to have an extra senior team. We are currently awaiting their decision and will notify when we find out the outcome.

Netball coaches have been appointed. We congratulate;

- A Grade:** Megan Cox
- B Grade:** Philippa Grainger
- B/C Grade:** Tania Mason
- C2 Grade:** Rebecca Jones
- D Grade:** Mandy Simes
- D Grade:** Sarah Traeger
- E Grade:** Zoe Traeger
