

EASTERN RANGES FOOTBALL & NETBALL ***THE RANGES WRAP***

Issue #12

July 2016

A Message from the President

Hi to everyone. Just a few quick notes from Central Management as we are about half way through the 2016 season.

Thank you to all those who attended the MAC night. A special mention and thank you to Sam Gray for coming back, helping with training and spending time with the Ranges club.

We have now opened a bank account and are trading with the Bendigo Bank. We will change our account details towards the end of the season. Thanks to Hannah Schubert for her work in getting this sorted.

Field days are upon us. This is a huge injection of finances for our club. It needs to be a whole club effort. Please don't leave it up to the same few people. Yes, we all work and are all busy, however if we all do a bit it helps everyone. Rosters are out and **ALL** club players and members need to put your name down. Get in early and put your name down when it suits you or it will be placed on the roster for you.

Mick Evans
President
Eastern Ranges Central Management Committee

Sam Gray with the Auskickers

End of Season Presentation Day

Sunday 4th September
(day after Grand Final)
at Cleve

Football & Netball
More details to follow closer to the date

FOOTBALL

We are over half way through the 2016 season. It's a good opportunity to update members on how our year is progressing and who in our club has achieved well.

Our **Senior side** is presently sitting in second spot; the Ranges have had the poorest start to a season to date. I'm confident the playing group have no illusions as to the increase in work rate and team improvement required to achieve the results the Club has come to expect. Training numbers hopefully should increase now that seeding has been completed. With an increase in general fitness and the increase in player availability positions in the teams for the finals will be strongly contested.

The **Reserves** are in top position. They had a terrific win against Kimba (their closest rivals) last time they met, generating confidence in the team and their abilities to win; they now believe there is plenty of improvement left to drive them confidently to the finals series.

The **Senior colts** have also had some terrific wins of late (presently undefeated) and with good numbers at training. Their competitive spirit and good team play is encouraging as we head towards the finals.

Troy has done a tremendous job managing our **Junior colts** again this season (also undefeated) mixing up the team on most occasions to ensure our lads have a good even contest.

Thanks to **Darren Allen & Nick Cook** and many of the dads who come along and offer their assistance in training the Auskick lads and also helping at the games on Saturdays. The lads are really enjoying being taught the basics of football and eager to be involved each week. This is where the future of our club lies and it's great to see such wonderful enthusiasm and effort being put into these lads.

The Eastern Ranges Football Club hosted the **Motor Accident Commission (MAC)** forum this year on Tuesday the 21st June at Rudall. The South Australian Police conducted about an hour's presentation promoting the importance of road safety in country South Australia where 56% of our road deaths occur. Our Club has over the years been touched by road accidents and I believe this night was an important tool to educate and make our Club have a better understanding of the road Accident message. I would like to thank the Netball Club who have also supported this informative night. It is vital as a Club we support and encourage all members to understand this important issue which has affected us all and could affect our Club and families going forward. To have 150 plus members attend was terrific to see.

We were fortunate enough to have **Sam Gray** fly home and conduct a training session for our three junior grades. It was a great opportunity to develop our juniors and was good to catch up with Sam Gray. Sam spoke to, signed autographs and awarded footballs to our Auskick, Junior and Senior colts. Many thanks to Sam and the Port Adelaide Football Club for their involvement in this junior development evening.

It has been 21 years since **Eastern Eyre** has won the **Mortlock Shield**. Congratulations to all the blokes that played in the winning team this year. It was great to witness the win and to see the enjoyment on the players faces after the win against the Sharks. To win the Shield was a terrific effort.

Mortlock Reps

Jess Kenny, Pat Jenner, Alex Sampson, Wade Mason, Elliott Claxton, Jonno Forrest, Jake Stutley
Cam Taheny, a special effort to be selected in Mortlock at the age of 15 and still available for Port Adelaide Cup.

EP Squad

Jess Kenny, Wade Mason

EP Country Championship Team

Congratulations to Wade Mason on making the EP team and all the best in Pt Lincoln this weekend

Port Adelaide Cup Reps

Cam Taheny Capt. B&F Eastern Eyre. B&F Port Adelaide Cup, Selected in EP squad.
Jez Schubert Selected in EP squad.
Hank Burton, Kyron McCallum, Dustin Harris, Kade Duncan, Rhett Schumann, Campbell Fennell, Jayden Fridd, Riley Haines.
Both Cameron and Jez have been selected in the Eyre Peninsula team to play in Adelaide in the second week of the school holidays.

Kinlough Cup Squad to play in Pt Lincoln 9th July
Tom Humphries, Cole Gerloff, Jonno Forrest, Ethan Kwaterski, Nathan Byrnes, Caleb Evans, Jack Weiss, Tom Weiss, Cameron Taheny, Mac Nield, Lachie Shambrook, Luke Bammann, Bronty Roberts

Paul Jenner received **Life Membership** of the Mortlock Carnival this year. Congratulations Pup. Your contribution to not only this carnival but to football in general across Eastern Eyre, Cleve and Eastern Ranges has been legendary. A magnificent effort over many years and we applaud your contribution to football.

I would like to express my appreciation to **Troy Grosser** for the exceptional effort in setting up and running the Football Club in the first half of the 2016 season. Many thanks to Troy and my Football committee for their work in covering for me when I was away.

Also to **Julie Burton** for her great continuing work in **Sponsorship** this year (the sponsorship has continued to grow and hopefully this year may be a new high). A lot of our sponsorship is due to Julies time and effort over the last 5 years. Thanks Julie.

With the **Field Days** coming up in August it gives our Football Club a terrific opportunity to earn some much needed funds. There will be some rosters sent out shortly for the erection and dismantling of hoekers and for the cardboard clean-up run. Hopefully the hoekers will be on the weekend so please make yourself available if working during the week. Likewise if available during the week you will be rostered then.

Finally I wish all the coaches and teams the best for the remainder of the season. As a Club we need to be aware of the overall improvement needed throughout our Club to achieve the success we aspire to and have come to expect.

Yours in Football
Mark Hannemann
President

Sam chatting with the Junior Colts

Sam with the Senior Colts

Lions Mini Carnival

Good luck to our Junior Colts at the **Lions Mini Colts Carnival** at Mangalo on the **31st July**. This is a great long running country carnival which hopefully continues for many years. I encourage members to come along and support not only the Ranges lads but offer some assistance to the wonderful Lions members who continue to make this event a success. **Anyone interested in helping in any way please contact Mark Hannemann or Beth Deakin.**

Congratulations

Sam Gray continues to impress at AFL level clocking up senior games for the Power. The Ranges received 8 Sherrin footballs from the Port Adelaide Magpies Football Club and Energy Australia (a sponsor of the PAMFC) for Sam being voted most valued player in three Magpies games last season.

Alex Willis represented our State in the under 18s side going on to be named in the All Australian U18 team. Alex also played his first League game for Norwood earlier in the season. To have juggled State, League and College football at a young age is a tremendous achievement.

Jack Kenny has also played his first League game for Glenelg this season. Jack has had a few injury issues this year but when fully fit, we look forward to Jack becoming a regular League player.

Tom Gray is having a good year in the Port Adelaide Magpies League team.

Kyle Jenner continues to impress for Central Districts League team again being the vice captain and getting close to 200 League games.

Cole Gerloff is playing under 18 for the Norwood Football Club when not playing College Footy.

Cameron Taheny has had a great 6 weeks of football, being selected in the South Australian School Boys State team to play in July. He was selected Captain of the Eastern Eyre Port Adelaide Cup team, was voted best for the Carnival, best for Eastern Eyre and has since been selected in the Eyre Peninsula team. Cam was also selected in the Eastern Eyre Senior team and was in the best players in the Saturday game at Mortlock. If available he would have been selected in the Kinlough Cup side. I believe to have played or be selected in all three teams at that young age would have to be a record across the Eyre Peninsula

To see so many lads playing great Football at this higher level is very rewarding as a football club. It gives us confidence in many of the development programs, coaches and structures we have in place.

Alex in action for South Australia U18's

The Ranges social committee this year has held a few function nights after home games. First was the Bingo night which was a lot of fun and the kids got to enjoy a movie and some popcorn.

The quiz night was also a lot of fun. The theme was your most craziest, outrageous or funny hat and most people joined in the fun. Tony Evans won best hat for his home made chip cup hat. We had approx. 8 teams enter and there was lots of prizes.

We also held a Mexican night which had a fantastic turn out. Thank you to all the senior netball and football grades for entering teams as well as E grade netballers and the supporters team the "Mexican Bitches". The E grade had a good night out by winning the night events. The events consisted of a Chili eating contest, Taco battle, Mexican Bean moving, Nacho eating contest and everyone's favourite, the Piñata. There was also a Mexican topping for the schnitzels and Nachos for the kids and Corona's were enjoyed by most.

We will be having a Sunday Family Day at this stage so please keep an eye out for more details on that. We are also in the process of working out something for our last home game of the season as well.

Cheers
Social Committee.

Rest In Peace

One of the key players in the establishment and success of the Rudall Community Sports Club over the last 40 years unfortunately died very recently.

Robert Reginald Elliott better known as **Chic** will be fondly remembered as a generous community man who was willing to give his time to a community he loved and enjoyed living in. Chic also had a unique sense of humour and was always fun to be around. Our thoughts are with Sue, Nick, Melanie and families on this sad loss.

It's hard to believe that we have only one round left in the season. All teams will be working extra hard to put themselves in the best possible position for the finals.

A Grade: Sitting top at the moment followed closely by Kimba, who are their main competition. These games have been excellent to watch and hopefully Mandy and the girls are saving the best for last.

B Grade: Currently sitting in 2nd position with Kimba also being their closest competition. Tania will have her girls fired up for the last round to try to get that top position.

C Grade: Are 2nd on the ladder with Cowell breathing down their necks. Ange will be looking for three wins in the last round to secure that 2nd spot.

C2 Grade: Hold 2nd position with this being the closest competition in the senior grades. Bec will be trying to settle the team and be pushing for top spot.

D Grade: Are on top of the ladder and they are looking pretty good leading into the finals race. Mignon has these girls playing some great netball.

E Grade: Also on top of the ladder and are having a great year. This team is a very talented group of netballers who are able to play any position on the court. Amy and Annie have these girls fired up ready for their run into the finals.

E2 Grade: Are in 3rd position and were excited to have a draw recently against Kimba. Megan is doing a fabulous job with these young girls and they are improving every week.

F Grade: Have 3 games left to play and our future looks bright with the young girls playing in this grade. Fiona has done a wonderful job with the F graders and I'm sure they have learnt some exceptional skills from her coaching.

A HUGE thank you to **Kelly Richardson** for running Net Set Go this year. There was 17 girls who participated, with 16 of them playing in a match recently at Rudall which they all enjoyed.

I would personally like to thank all of our Coaches and Umpires who give up their time every week so we can play the game we all love and enjoy.

All the best to all Netball and Football teams in the finals and lets hope we have some premierships to celebrate on Grand Final Day.

Good Luck to the girls who are playing at Pedler Cup this weekend. I hope everyone enjoys the bye and travel safe if you are going away.

Yours in Netball
Cathy Haines
President

Eastern Eyre Netball Representation

Eastern Ranges have many netballers who have represented our club at the higher level this year. All players, umpires and officials should be congratulated for their commitment and support of the girls.

Sunday 24th July

9.00am

Everything from inside the club is being moved into storage. We need plenty of hands to pack up bar, kitchen, tables, chairs, changerooms etc.

PLEASE BRING: Screw drivers, drills, trailers, sack trucks, wheel barrows, newspaper

Affiliated clubs (Eastern Ranges, Cleve Cricket Club, Cleve Basketball Assoc, Gymworks, Cleve Tennis) are urged to attend as these are your facilities!!!!

BBQ and some drinks to follow!

MAJOR SPONSORS

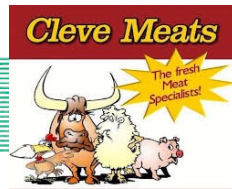

The **Eastern Ranges Football and Netball Club** wishes to sincerely thank all of our **Sponsors** for 2016.

The support that we are continuing to receive from our local businesses is truly amazing. It is great to see two new **Major Sponsors** in **Direct Fuel** and **Agfarm** join our other 9 Major Sponsors of our club for 2016.

Sponsorship is so very important to the everyday running of our club and without such generous support the Eastern Ranges would not be such a success. We encourage all of our members to patronise these businesses as often as possible. Attached to the Wrap is the Sponsors Digest with all the Sponsors details including contact people, phone numbers and email addresses. Please take the time to have a look and please support our Sponsors that kindly support us.
