

THE RANGES WRAP

EASTERN RANGES FOOTBALL & NETBALL

Issue #15

June 2017

FOOTBALL

What a great result for the community last week with the success of the application by the hard working Cleve Sporting Bodies to the Cleve District Council. It is a terrific reward for all the wonderful work done by Kelly and her committee. It will be an exciting period for the Eastern Ranges Football and Netball Clubs and our community, to get one of our home grounds up and going again with a terrific new multi function sporting facility. It will be great to be back playing sport in Cleve.

We are over half way through the 2017 season. It's a good opportunity to update members on how our year is progressing and who and what teams in our club has achieved well.

Our senior side is presently sitting in top spot; the Ranges have had a solid start in 2017 only dropping the one game against Ports. I'm confident the playing group have no illusions as to the work rate required to achieve the results the Club has come to expect. Training numbers have been good and hopefully will ramp up as we get closer to the pointy end of the season. With an increase in available player's positions in the teams for the finals will be strongly contested.

Pat has done a terrific job coaching this season with his willingness to blood many youngsters throughout the year. Congratulations to Riley Haines, Jez Schubert, Dustin Harris, Kyron McCallum, Tom Humphries, Rhett Schumann and Riley Evans for their first Senior games this season.

Our Reserves under Stevie are in second position. They had a couple of terrific game against Kimba but have not been able to secure a win to date against the Tigers; I believe there is plenty of improvement left to drive them confidently to the finals series.

The senior colts have also had some terrific wins (presently undefeated) and with good numbers at training. Their competitive spirit and good team play is encouraging as we head towards the finals.

Troy has done a tremendous job managing our junior colts again this season (also undefeated) mixing up the team on most occasions to ensure our lads have a good even contest.

Thanks to Darren Allen and many of the parents who come along and offer their assistance in training the AusKick lads and also helping at the games on Saturdays. The lads are really enjoying being taught the basics of football and eager to be involved each week. This is where the future of our club lies and it's great to see such wonderful enthusiasm and effort being put into these lads.

The Eastern Ranges Football & Netball Club hosted an Ice forum earlier this year on Friday the 28th of April at Rudall. The Whyalla Ripples Support Group conducted a powerful presentation promoting the dangers associated with the use of the hideous drug Ice. Its presence throughout the country is unfortunately rapidly increasing. I would like to thank Erin Roberts, the Cleve Mental Health and Wellbeing Group, the Whyalla Ripples Support Group for their assistance in setting up and conducting the informative forum and the Eastern Ranges for financially supporting this important night. It is important as a Club we support and encourage all members to understand this important issue which could affect our Club and families going forward. To have 150 plus members attend was terrific to see. Our Club does this very well.

Mortlock Shield Reps

Jess Kenny, Nathan Byrnes, Elliott Claxton, Ethan Kwaterski and Jared Siviour.

Port Adelaide Cup Reps

Reagan Taheny, Riley Evans, Curtis Newlyn, Angus Turner, Jack Grosser, Jaylenn McCallum, Nathan Peters, Hank Burton, Campbell Fennell,

EP Squad Hank Burton

Kinlough Cup Squad to play in Ceduna on the 8th July Caleb Evans, Tom Humphries, Cameron Taheny, Lachie Shambrook, Riley Haines, Dustin Harris, Kyron McCallum, Luke Bammann and Jez Schubert.

Good luck to our Junior Colts at the **Lions Mini Colts Carnival** at Mangalo on the 30th July. This is a great long running country carnival which hopefully continues for many years. I encourage members to come along and support not only the Ranges lads but offer some assistance to the wonderful Lions members who continue to make this event a success. **Anyone interested in helping in any way please contact either Beth Deakin or myself.**

FOOTBALL TRAINING DATES & VENUES

Tuesday 4th July	Rudall
Thursday 6th July	Rudall
Tuesday 11th July	Cleve
Thursday 13th July	NO TRAINING
Tuesday 18th July	Cleve
Thursday 20th July	Rudall

MAJOR SPONSORS

Ahrens

Congratulations

Sam Gray continues to impress at AFL level clocking up senior games for the Power.

Cole Gerloff will represent our State in the under 18s side, Congratulations to Cole it is a terrific achievement. Cole is also playing under 18 for the Norwood Football Club when not playing college footy.

Cameron Taheny is in the State under 16 team. This carnival is played over the next two or three weeks right across Australia starting in Perth this Weekend. Well done Cam!

Tom Gray is having a good year in the Port Adelaide Magpies team, and **Kyle Jenner** continues to impress for Central Districts League team again being the vice captain and getting close to 200 league games.

To see so many lads playing great football at this higher level is very rewarding as a football club. It gives us confidence in many of the development programs, coaches and structures we have in place.

I would like to express my appreciation to Troy Grosser for exceptional effort in setting up and running the Football Club in the first half of the 2017 season. Many thanks to Troy and my Football committee for their work in covering for me when I have been away.

I mentioned in the last home game budget that the **Port Adelaide Football Club** have kindly donated **40 tickets to the Power vs North Melbourne AFL game on the 15th July at the Adelaide oval at 1.40pm (middle weekend of school holidays and there is a bye in Eastern Eyre football and netball) to the Ranges to use on junior development.**

This is a great opportunity for the Eastern Ranges Football Club to support our juniors in developing their football by experiencing an AFL game.

Sam Gray has also kindly agreed to host a tour through Port Adelaide's Training facilities at Alberton on Thursday the 13th July for our football clubs juniors. It will start at 1pm and go a little over an hour.

I hope to schedule a club activity for either or both Thursday afternoon and Friday. We did tour the Adelaide Oval two years ago which was great but other activities such as Bounce or Latitude are other suggestions.

Please let me know if you and your family are interested in going and the number and names asap. Also any suggestions for the club activities on the Thursday and Friday.

First junior names in will be guaranteed the tickets to this great opportunity. Any parents wanting to go I should have enough tickets in the same section.

This is a great opportunity for our juniors to experience an AFL game, see Port Adelaide Power and our own Sam Gray play.

The Eastern Ranges are also assisting in organising to fly **Rodney McCallum** over and back from Port Lincoln to attend that same match at the Adelaide Oval. Rodney has not attended a Power game at the Adelaide Oval so is excitedly looking forward to the experience. **Sam Gray** has against assisted us by getting us a heap of members tickets for Rodney to have many of his friends enjoy the experience with him. Sam has also organised to get Rodney down to see the power team after the game.

To assist financially in making this happen we will be running a raffle this week to raise some funds to assist Rodney and his family and friends make this happen. So please if you see the raffle book going around Saturday please buy some tickets to help out someone less fortunate than ourselves.

It is great to see some members returning to our Club mid season - Hayden Norris & partner Kathrine and Tom Forrest & Emily Hannemann. Welcome back!

I would like to take this opportunity to send my condolences to the families of Steve Noble (a great contributor to the Cleve Football and Netball Club) Chris Woolford (contributed much throughout the district) Jack Dingwall (was very active throughout the Rudall Community Sports Club from their foundation years) and Francie Beinke (his family was very involved with the Cleve sporting Bodies)

Finally I wish all the coaches and teams the best for the remainder of the season. As a Club we need to be aware of the overall improvement needed throughout our Club to achieve the success we aspire to and have come to expect.

Yours in Football

Mark Hannemann

Eastern Ranges Football President

MAJOR SPONSORS

Well it's hard to believe we are more than half way through the season so it's time to update everyone on how the netball is going.

A Grade – Sitting in 2nd position only by percentage, Mandy has had a tough season with players being away, injuries and a pregnancy. Of course she has taken it all in her stride and I'm sure the team is saving the best for last. The A grade competition has been close so far and the games have been great to watch.

B Grade – Also in 2nd position, the B grade girls have had a few close games and the competition is one of the tightest in the Association. They will be working hard to keep their spot on the ladder and being competitive in finals.

C Grade – Currently sitting in 4th position and had their first win on Saturday. They defeated Cowell convincingly and that will give them some much needed confidence leading up to finals. Sarah and Amanda will have the girls fired up to secure a couple more wins in the minor rounds.

C2 Grade – Also in 4th position and haven't had a win yet. Jodi is working extremely hard with this group of women and I'm sure their first win is only a game away. She will also be looking to settle the team in the lead up to finals.

D Grade – Sitting top of the ladder in 1st position. These girls are the surprise package of the year. We have 3 players who could still play E grade and 2 who are in their first year of D grade. Keeley and Amy are doing an amazing job coaching these very talented netballers. Let's hope their winning streak can continue right throughout the year.

E Grade – Hold 3rd position. With 2 wins on the board, Lorrae will be working hard with these girls to keep on improving and be fired up for the rest of the minor rounds and for finals.

E2 Grade – Sitting in 3rd position with 3 wins, Kelly and Megan would be pleased with the huge improvement in these young stars. On the day and playing their best netball, I reckon these girls are the smokies to bring home some bling.

F Grade – Fiona has done a great job this year and our F grade girls will have learnt some exceptional skills from her. The future of Eastern Ranges Netball Club looks pretty darn good with this group of girls.

Well done to Sheri Fischer for running **Net Set Go** this year. A huge thank you all the parents who helped out at trainings. The girls will be playing a game against each other at Rudall this Saturday. I hope all the parents, grandparents & spectators are able to get out and cheer these little netballers on.

My personal thanks to all the coaches who have given up their time week in week out so we can play the game we love. An extra thankyou to **Mandy Simes** who has organised trainings, a huge effort and greatly appreciated by both coaches & players. Good Luck to all Netballers & Footballers for the rest of the minor round games and also for Finals. Let's hope we have some premiership to celebrate on Grand Final day.

All the best to everyone who is off to Ceduna for Pedler Cup, enjoy the experience. If you are lucky enough to have 2 weeks off, relax and enjoy the time away from sport. If you are going away, travel safe.

Yours in Netball

Cathy Haines
Eastern Ranges Netball President.

This year Eastern Ranges took two sides to the **Port Lincoln Carnival** on 7th May.

11&U (Div 2) Coached by Megan Cox and Kelly Richardson.
Finished **3rd**

13&U (Div 1) Coached by Lorrae Weiss.
Finished **1st** *Nicole Simes BOC in Grand Final

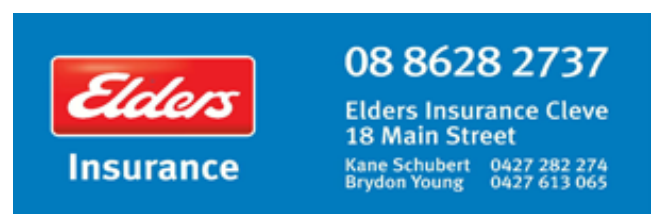

Eastern Ranges are taking a team to the annual **13&U Cowell Carnival** this **Sunday 2nd July**.

The **Mangalo Carnival** will be held on **Sunday July 30th** for our Under 11 girls.

A reminder
that there is
no training on
Thursday 13th

MAJOR SPONSORS

Eastern Ranges have many netballers who have represented our club at the higher level this year.

All players, umpires and officials should be congratulated for their commitment and support of the girls.

THANK YOU

to Lorrae Weiss for organising the Snow Cones at our first three home games as a fundraiser for the netball club.

This was very successful raising over \$1000.

Thank you to all the junior netballers, in particular the E grade, who manned the machine each week.

MAJOR SPONSORS

The Eastern Ranges Football and Netball Club would like to take this opportunity to thank all the Sponsors that have come on board again or for the first time in the 2017 Season. Once again we have received **HUGE** community support from many of our local business and as well as other businesses further afield.

We welcome **Territory Trade Services** as a NEW Major Sponsor this season and thank Patrick Gluyas for supporting our club taking our Majors to a total of 12 this year. How awesome is this support for our Club.

We also welcome our other new Sponsors - **LH Perry & Sons, Mars Southern Plumbing, Ghost Wines, Razor Sharp Roofing, Quality Wool, Tafe SA, Hair & Beauty on Fourth and PL Norris & Son.**

A MASSIVE THANKS to all the Sponsors that have been with us from the beginning or for a few years. The continuous support that you provide to the Eastern Ranges helps us to be one of the most successfully run Clubs in our District. We could not do it without you.

So to all of you members out there, get in and support the businesses that are on our Sponsors List. They are prepared to back our club so it would be great to back them too. Times may become tough over the next few months so please do not take your money outside our community when it could be left here.

The Sponsors Day to thank ALL of our wonderful Sponsors will be held on Saturday 12th August at Rudall against Kimba. Invitations will be sent out but as a Sponsor please mark this date in your diary.
