2017 PREMIERS CONGRATULATIONS

Senior Colts

Junior Colts

Ahrens

Congratulations to all members who have contributed to the Eastern Ranges Football & Netball clubs throughout 2017. It's been a successful year as far as our Club is concerned both on and off the field. The Reserves had a stellar year; we also had a great year in Junior Football. It is reassuring that the Club is doing a lot right shown in the results that our kids are achieving; we can go forward with confidence.

Our senior team had an interrupted season with some terrific wins early but unfortunately could not continue that form late in the year and ended the season failing to make the grand final.

Thanks to my committee for 2017, **Troy Grosser** a huge effort in his organisational skills as Club secretary. Troy continues to contribute in just about every facet of the Eastern Ranges. His commitment to the Junior Colts is outstanding, he spends endless hours organising all the day to day running of our club which runs smoothly and still often makes time to do match day paper reports.

Vice President **Scratch Lovegrove** once again continued to strongly support our club; **Paul Jenner & Trent Harris** liaised between the Football Club and Central Management Committee; **Grant Roberts** League delegate & **Graham Byrnes** Proxy league delegate; **Shane Duncan & Jason Burton**, League Junior delegates, very important part of our club; **Ben Shannon and Robert Haines** for their input into our football committee; **Elliott Claxton** Players Rep.

Thanks to the **Eastern Eyre Ranges Management Committee**, **Mick Evans** President, **Sarah Noble** Secretary, **Hannah Schubert** Treasurer, Delegates, RCSC, Cleve Sporting Bodies, and ER FC & NC

Thanks to our Merchandising Coordinator, a wonderful effort done by **Fiona Evans**; also to **Mint Fusion** (this season they stocked our Merchandise) thank you for your input into making our club look great, it is greatly appreciated.

The Social Committee: Keeley Mason, Bridget Johnstone, Megan Turnbull, Kelly Smith and Lauren Siviour. Most home games there was a social event and these were well attended. Well Done to the social committee on the time and effort on providing something for home games.

Thank you to all the members who helped in fund raising this year - Mangalo mini colt's carnival, Lorna Dalbello for the Saturday night pub raffle and Troy for coordinating the Toyota Footy Raffle. A terrific effort.

Home Games Budgets, Ny Gillings for compiling a wonderful budget, **Elders Insurance and Mandy Simes** for the fantastic job in printing the budget each home game. Thanks to **Nat Roberts & Amy Allen** the editors of all the **Facebook** pages of the Eastern Ranges and the huge job of Premiership photos for Sponsors and Clubrooms. Nat also continued to collate and edit the Ranges Wrap .

Thanks to the **RCSC** and **Cleve Sporting Bodies** for the use of their grounds throughout the year. There is a terrific small group of members who continue to contribute to the preparation and maintenance of our grounds. It must be acknowledged the **extra work needed at Rudall** the last two years, the people that put their hand up and offer additional help was greatly appreciated. Any members able to help in this area in future years will help spread the workload.

Thanks to our **Sponsors**. Businesses have embraced the Eastern Ranges by showing tremendous generosity and support through sponsorship. Sponsorship is a vital part of our club. This season we have a new **Major Sponsors (Territory Trade Services)** taking the number of Majors to 12. Along with additional new sponsors in the various categories our sponsor's board continues to grow. A big part of this success is contributed to **Julie Burton**. Julie has spent a lot of her valuable time in making our Sponsorship programme work successfully for the last six years. I urge all members to acknowledge all businesses and support when they can.

Thanks goes to the **Eastern Ranges Netball Club, Cathy, Brooke and committee** were great to work with.

Thanks to the Team Managers, Runners, Assistant Coaches, Umpires, Central, Goal, Boundary, Time Keepers and Gate Keepers.

Trainers – Paul Dolling, Tina Traeger, Shane Duncan, Ange Harris, Mick Evans and Matt Crettenden a huge effort. The job these people did this year was unbelievable .Their dedication and the unseen hours of their valuable time is greatly appreciated. I believe we have one of the best Medical teams going around.

A GRADE To **Pat Jenner**, a first year coach at this level, he has a firm style of both coaching and playing. His communication & commitment to our playing group has been great. The senior team unfortunately did not have the results our Club has come to expect. I believe everyone would agree the challenge next year is on improving the overall endeavour of our Club to improve our results in 2018. We need to come to the realization that Premier-ships do not just happen but need a huge commitment dedication and effort to achieve.

B GRADE Congratulation to **Stevie Roberts** and his coaching team for what is one of the hardest and most challenging jobs within our football club. They continued their good form to win their third Premiership in row. Joel Nield won his third Best on ground in the Grand final in a row. A terrific effort.

SENIOR COLTS Well done **Kym Villis** (six year coach) and his coaching team. To see this group of lads grow and develop each year, to now have four premierships in a row was very enjoyable. **Kyron McCallum** was awarded best on ground in the Grand Final. Congratulations.

JUNIOR COLTS Congratulations to **Troy Grosser** and his team for winning the premiership. For the first time this team was challenged several times to eventually go through to win their sixth consecutive season. Well done **Ned Schubert**, best in the Grand Final. A great season.

MINI MINIS (Auskick) A very important part of the Eastern Ranges junior development is giving these lads an opportunity to develop their football skills each week. Thank you to **Darren Allen, Ted Roberts** and any other parents who contributed.

Medal Winners The Ranges achieved the rare feat of winning all four association medals this season. All four players wore the number 1 for their respective team. Congratulation to **Jess Kenny** (Mail Medal), **Nathan Gillings** (Reserves Medal), **Kyron McCallum** (Fiebert Family Medal for Senior Colts) and **Ned Schubert** (Danny Horgan Medal for Junior Colts)

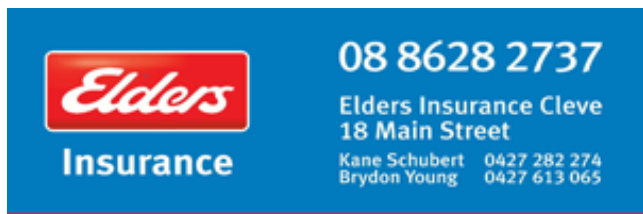

Congratulations to **Scratch Lovegrove** on winning the **Pringles Crouch extraordinary Club Person** of the year award. Scratch won \$200 for himself, no doubt valued added on a horse and \$500 to the Eastern Ranges.

The juniors are an important part of any Club and it was terrific the Eastern Ranges had the opportunity to take 40 children and parents to Adelaide to watch the **Power vs Nth Melbourne game**, with a **tour of Port Adelaide's magnificent training facilities at Alberton**. Sam Gray hosted the tour which gave the lads the opportunity to chat, get autographs and take photos with some of the Powers greats including Ken Hinkley, Robbie Gray, Paddy Ryder and Travis Boak. **A great opportunity to see an AFL game, a group tour of the Adelaide Oval, the magnificent Power facility at Alberton, and witness Sam Grays big day.**

The Eastern Ranges also assisted in organising to fly **Rodney McCallum over and back from Port Lincoln** to attend that same match at the Adelaide Oval. Sam Gray has again assisted us by getting a heap of Members tickets for Rodney to have many of his friends enjoy the experience.

Future leaders are also very important to all Clubs. This year the Eastern Ranges financed over a dozen of our kids to attend the **Champions Academy, junior development forum** called **"It's more than a Game"** at Arno Bay.

We had our Football AGM several weeks ago which was well attended and I would like to introduce our new Football Committee for 2018.

- President **Mark Hannemann**
- Vice President **Tony Evans**
- Secretary **Troy Grosser**
- EEFL delegates **Grant Roberts, Mark Hannemann**
- Proxy **Pat Jenner**
- EEFL Junior Delegates
Darren Allen, Jason Burton
- Central Management Delegates
Trent Harris, *one position still vacant*
- Community Members
Ben Shannon, Robert Haines
- Players Rep ***Position vacant***

Congratulations to these blokes, it's great to see some new faces on this important committee. We still need a Central Management Delegate which is an important job to liaise between Football Club and Central Management. Please let me know if someone is interested in having some input into our club and taking on this position.

If any Club members have any issue or concerns do not hesitate to contact me or any of our football Committee.

I would like to thank **Erin Roberts**, the **Cleve Mental Health and Wellbeing Group** and the **Whyalla Ripples Support Group** for their assistance in setting up and conducting the informative ICE forum and the **Eastern Ranges for financially supporting** this important night.

It is important as a Club we support and encourage all members to understand this important issue which could affect our Club and families going forward. To have 150 plus members attend was terrific to see. Our Club does this very well.

In closing, congratulations to all **Premiership sides and all trophy winners**, for what has been a successful season for the Eastern Ranges.

Mark Hannemann
President Eastern Ranges Football Club

The 2017 Eastern Ranges Netball season finished with A, B & D grade playing on Grand final day. Our **A grade** was the only team to bring home a **Premiership** defeating Kimba by 13 goals. Keeley Mason was awarded BOC.

B grade lost by 18 goals and although they knew it was going to be tough to beat Kimba they never dropped their heads and I was extremely proud of their sportsmanship.

Our D grade deserve a special mention as they lost the Grand final by one goal. In this game they only had 3 girls who were of D grade age with the other 4 still being eligible for E Grade. For this team to be as successful as they were all year is a credit to them all.

A HUGE thank you to all the coaches: **Mandy; Cathy & Larie; Sarah & Amanda; Jodi; Keeley & Amy; Lorrae; Kelly & Megan; Fiona; Sheri & Erin**. You have all done a great job, with high numbers in the seniors & minimal numbers in the Juniors, it was a challenging year.

Thank you to **everyone who volunteered to umpire** this year and well done to those of you who umpired a higher grade than you normally would. Thanks to all the parents, supporters & players who did court duties every week. Huge thank you to **Sarah Meyer & Zoe Traeger** for putting the **court duty roster** together for each round. Thanks to **Megan Cox** for supplying the **ice** for each home game.

Fiona Evans has again done an exceptional job with the **merchandise** this year. It's great to see so many people on game day decked out in Blue & White. Thanks to **Kylie & Larie** for stocking our merchandise at **MINT FUSION**.

The **Social Committee** has done a fabulous job this year with entertainment after each home game. Miss Eastern Ranges was a huge success and everyone has enjoyed the different functions they have organised.

Well done to all the netballers who participated on Association Day at Warrambo, Regionals at Lock Carnival, Country Championships and Pedler Cup in Ceduna. A special mention goes to **Lauren Simes** for playing in the A grade team at Lock and being named in the **Top 10** of the carnival. Good Luck to **Keeley** and **Lauren** who will be trialling for the Senior EP Team later this month.

Congratulations to **Lauren Simes & Madi Allen** who were selected to represent Eyre Peninsula at Regionals in October. Also to **Mandy Simes & Amy Allen** for being selected to coach.

Thanks to **Ny Gillings** for putting the budget together each week and the group of women who fold them for us and Kelly Morrow for the Sponsors certificates again). An **extra huge thank you** to the **Trainers, Kitchen Committee & Central Management** for their efforts throughout the year to keep our club running.

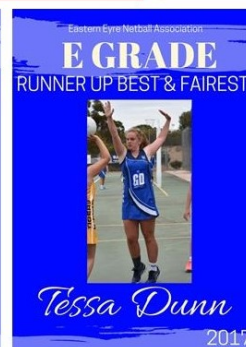

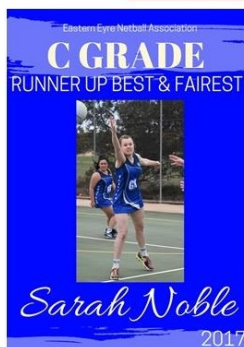

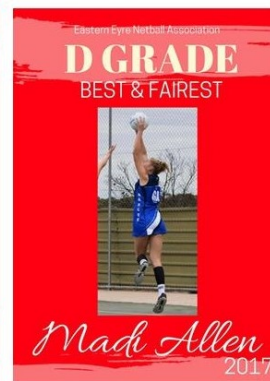

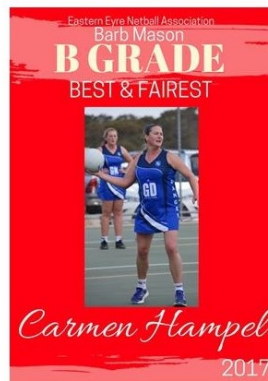

Thanks to all our **Sponsors for 2017**, your generosity for the year is greatly appreciated & we hope to see you all back on board for 2018.

To all our **Members & Supporters**, please remember to keep supporting our Sponsors in the off season. These businesses give generously to our club each year, they employ local people, keeping numbers in our town and they are the people who play for our Club.

To the **Executive Committee**, thank you for volunteering your time to help keep our club running smoothly. It has been a tough year and I can't thank you all enough for your time and support.

Congratulations to our Association Best & Fairest and Runner Up Best & Fairests.

**Our AGM is on Wednesday 18th October
7.00pm at Rudall Community Sports Club.**

We have a few positions available: Vice President, Secretary, Liaison Officer & committee members. If you are considering taking on one of these jobs please speak to me or one of the current Committee members. To keep our Netball Club going, these positions need to be filled.

Thank you to Eastern Ranges Netball Club for having me for the last 2 years, it has been a rewarding experience.

Cathy Haines
Eastern Ranges Netball Club President

CONGRATULATIONS to Lauren and Madi who have been selected to take part in Phase 2 of the 17U State Team trials following their performance at the 2017 Mellor Olsson Academy Games. Lauren and Madi, who have been training with the Eyre Academy, have been given the opportunity to attend the second weekend of trials given their involvement in the Dare to Develop a Diamond Academy Program. The Phase 2 trials will be held at Priceline Stadium on Saturday 28 and Sunday 29 October 2017.

Well done to everyone involved in the Eastern Ranges Club. It was great to see so many teams make the Grand Final and congratulations to B Grade, Senior Colts, Junior Colts Football and A Grade Netball on their premierships.

Once again, I need to thank all those who helped with the organisation during the year. Thanks to Mark Hannemann (whose team lost the AFL Grand final) and Cathy Haines (whose team won the AFL Grand final and now lives in tiger land). These guys have done an excellent job along with their committees throughout the year.

Central Management has continued to work well with all involved. Thank you to Sarah Noble and Hannah Schubert for their continued support and help during the year. We all appreciate the work you both put into the Ranges Club. For those who are leaving the management committee thank you for your input and for the new ones coming on we look forward to your involvement.

Remember the AGM will be in February and it would be great to see as many as possible get along. All the best during the summer season and look forward to seeing you all next year.

Mick Evans
PRESIDENT

Cleve Sporting Bodies are holding a Colour Run as a **MAJOR FUNDRAISER** for the new Multi Purpose Facility in Cleve

This will be held at the Cleve Oval on Saturday 4th November. Participants will take part in a 5km walk / run / ride around the township. Participants will pass through 4 colour stations along the way at which time a different colour powder will be sprayed as they pass. The finish line will be at the Cleve Oval at which they will all join together for a 'Colour Party' with music, a BBQ and a final throw of colour powder in unison.

Just a note on some of our past players and how their year turned out.

Sam Gray had a tremendous year playing his first full season without missing a senior game. He has now played close to 60 AFL games for the Power. His 50th game was probably his best game he had played to date, kicking 4 goals and getting in the best players in the good win against North Melbourne. Sam even out did that game playing a blinder against Gold Coast Suns, kicking 6 goals, getting Port Adelaide's best and 3 Brownlow medal votes. Sam also polled well in the Powers Best and Fairest. Sam was awarded the Coaches trophy by Ken Hinkley. Sam has extended his contract with the Power for the next two seasons. Well done Sam.

Tom Gray also had a tremendous year. Tom was not a contracted player to the Power, so when Port Adelaide had a good run with injury in their senior list, the SANFL Magpies had to play AFL listed players ahead of Tom. Tom deserved his position in the team at the pointy end of the season to play well in all the finals. Unfortunately for Tom the Magpies lost the Grand Final by 1 point to Sturt. Tom showed his class by coming runner up in the SANFL Reserves Medal and winning the Port Adelaide Magpies Reserves Best and Fairest.

We had five of our ex local lads play at Pinnaroo this season: Tyson Jenner, Jack Kenny, Shannon Jenner, Jed Villis and Harry Dunn. The boys had a great year narrowly missing out on winning the Premiership. Tyson Jenner was awarded the Mail Medal and Jack was Runner up. Jack won the Clubs Best and Fairest while Tyson was runner up in that award. Congratulations.

It was great to see Alex Villis back playing football for Central Yorke Cougars (Maitland area) this season.

Kyle Jenner completed another good year at Central Districts now having played over 150 games for that Football Club. Add his games Kyle played for Port Adelaide he has played 184 League games, a tremendous effort.

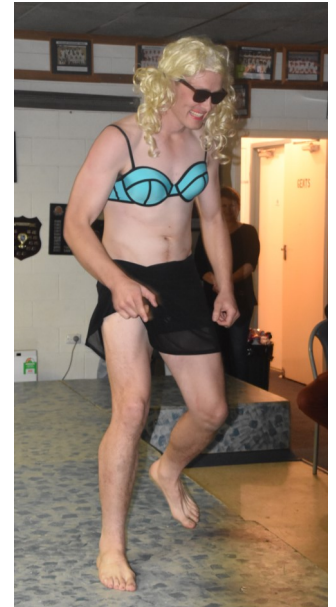

Cam Taheny had a huge year playing in the State under 16 Championships earlier in the year. From that Championships Cam received a scholarship in the AFL Level 1 Academy for the next 12 months (only 22 given out across Australia) Well done Cam and all the best for the coming year.

Cole Gerloff has played for Norwood under 18 team for much of the year, combining his football playing for Prince Alfred College. Cole captained the senior side which went through the season undefeated. He was also awarded the Independent Schools Best and Fairest. That is a huge year, Congratulations Cole.

The Eastern Ranges Football and Netball Clubs cannot thank our very generous Sponsors enough for their support again in Season 2017. We increased our Major Sponsors to 12 which is such a fantastic achievement for our Club. Then from Gold to Bronze, the amount of businesses willing to give our club a hand to run is absolutely amazing. We cannot stress enough just how important it is to support those businesses that support us. We all know that fundraising is an important part of every club but having support from businesses just eases that burden on members. So it's only fair to support them whenever you can.

A big thanks to our valued Grain & Grazier Donors as well. Our farming families are a valuable part of our club and their donations of grain are really appreciated. If you haven't previously and would like to donate and become a Grain & Gra-zier of the Club please contact one of the Sponsorship committee or Troy Grosser.

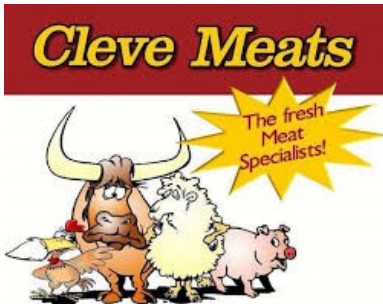

Season 2018 is the beginning of our next 3 year Major Sponsors Package Deal. Shortly we will be seeking interest in Businesses wishing to become Major Sponsors of the Eastern Ranges. Planning has started for the new Guernsey's and Netball bibs so that they can all be ready for the beginning of the 2018 season. So if you are not currently a Major Sponsor of our Club but possibly interested please contact one of our committee to discuss.

For the rest of our loyal sponsors you will see a letter at the beginning of 2018 inviting you once again to be part of our Eastern Ranges Football & Netball Club.
