

THE RANGES WRAP

Eastern Ranges Football & Netball

Issue #21

July 2019

FOOTBALL REPORT– Mark Hannemann

NEW CLUBROOMS!

How exiting was it having a look at the new Cleve facility! Over 100 people dropped in to have a look at the progress that has been made and get an idea of the size and shape of our new Clubrooms. All feedback I heard was positive and it is with great excitement that the Ranges will have both their home grounds up and running next year. I have not been through the new Gym/ storage shed but this also looks a great asset to the community. **Kelly Richardson** and her committee should be congratulated on the endless hours of commitment and effort they have put into this project. It is something the community should be very proud of. Kelly has a write-up on page 7 about the clubrooms.

SENIORS

Our senior side is presently sitting in second spot; the Ranges have had a steady start in 2019 dropping the first two games against Kimba. The last time we played Kimba at Kimba the lads had an encouraging win. Training numbers have been OK and hopefully will ramp up as we get closer to the pointy end of the season. With an increase in training and general commitment, positions in the teams for the finals will be strongly contested.

Pat Jenner has done a terrific job coaching this season with his willingness to play many youngsters throughout the year. Congratulations to **Riley Haines** (back from a Knee Injury), **Ethan Tomney**, **Riley Evans**, **Curtis Newlyn** and **Tim Hannemann** (11 goals against Cowell) for their first senior games this season. The game against Cowell we had 11 lads under 19 years of age. Also **Noah Ramsey** and **Ethan Kwaterski** are showing plenty of promise having played their first game for the season in recent weeks.

RESERVES

Our Reserves, under Coach **Tony Evans** have had a solid start to the season and are currently top. With a mix of good experienced players and some exiting young players, I believe there is plenty of confidence going into the finals series.

SENIOR COLTS

The senior colts have also had a terrific start to the season under new coach **Elliott Claxton**. I am sure that Burger and the lads will work extremely hard for the remainder of the season to continue to improve and finish the year strongly.

JUNIOR COLTS

Darren Allen has done a tremendous job coaching our junior colts again this season. Three of the four sides are extremely competitive with most games going down to the wire.

AUS KICK

Thanks to **Ted Roberts** and any of the dads who come along and offer their assistance in training the Aus Kick lads and also helping at the games on Saturdays. These young boys are really enjoying being taught the basics of football and eager to be involved each week.

SAPSASA

A big congratulation goes to **Tex Price, Louis Schubert, Coby Dolling, Jackson Allen** and **Angus Dunn** who headed to Adelaide to compete in the SAPSASA on the 17th June. These lads ended up winning their division which is a great achievement. Thanks to Jack Kenny who coached this team. I'm sure not only the boys enjoyed the experience but the parents would have also had a great week.

MORTLOCK REPS

Congratulations to **Jack Kenny, Elliott Claxton, Jake Bruce, Dean Storic, Lachlan Shambrook, Kyron McCallum, Wade Mason** and **Jared Siviour** on your selection in the Mortlock team. Well done to **Jake Bruce** and **Jack Kenny** who have been selected in the EP Squad. Jake Bruce travelled to Port Pirie in July and represented Eyre Peninsula in the State Country Championships. Jake had a strong Carnival winning two games, losing one narrowly and only just missing out on playing off in the Final.

NORWOOD CLUB REPS

Jed Burton, Coby Dolling, Oakley Price, Zane Crettenden, Ned Schubert, Cooper Matters, Bailey Matters, Jackson Allen, and Tex Price represented Eastern Eyre in the Norwood Cup. Congratulations to Jed Burton on his selection in the EP squad. Well done also to **Jason Burton** as Team manager, **Paul Dolling** as trainer and **Matt Price** as Runner.

KINLOUGH CUP TEAM

The Kinlough Cup was played at Karkoo on 6th July. We had a great representation in this with **Hank Burton, Nathan Peters, Riley Evans, Tim Hannemann, Curtis Newlyn, Regan Taheny** and **Jaylenn McCallum**. **Mick Evans** was also the trainer for the day.

ER Netball Club Fundraiser

MORNING TEA DRIVE

Thank you to all the netball volunteers who will be baking and distributing morning tea packs around Cleve next Friday. This is a great fundraiser for the club.

MILESTONE GAMES

We celebrated **Tony Evans** 100th game for the Eastern Ranges. He became only the second player to reach this milestone behind Elliott Claxton who achieved it late last year. Both these players have missed few games over the Ranges first seven years. Tony also celebrates his 200th game for originally Rudall and now Eastern Ranges combined. Tony has been instrumental in the Ranges success in not only playing but is also the Vice President of the Football Club, Football committee member and coach of the Reserves. Every Club needs more people like Tony.

Congratulations to **Nathan Gillings** on playing his 100th game for Eastern Ranges. Nosta has been a great player, a fierce competitor and is a valuable contributor to our Club. He has played in the Ranges three A grade

Premierships, and in the last two Reserves Premierships, also winning the last two Reserves Medals. Well done Nosta.

Ashley Butterfield also played his 100th game for the Eastern Ranges a couple of weeks ago. Perce has been a consistent and reliable player only missing a

hand full of games since the Ranges first game. He has played in 5 Reserves Premierships and won several Eastern Eyre Football League Reserves Leading Goal Kicking awards. Congratulations Perce.

We look forward to **Dylan Jaggy and Jake Stutley** playing their 100th this week.

The football Club has taken on some additional fund raising this year. In late Oct. we bought 210 Lambs. We have grazed them on **Trent and Ange Harris, Stevie, Nat, Ted and Erin Roberts'** property for the last 4 months. We have sold 160 of these sheep are hoping to sell the rest shortly.

Earlier this year we agisted 330 lambs for 5 months. These sheep made the Club a good profit. **Thanks to Trent and Ange Harris the Evans families and Mark and Andrea Hannemann** for running these sheep on their properties. Many thanks to **Mick Noble** for all his help in setting up and running this project, **Elders Rural and Stock co** (which is a livestock financing product). **Trent Harris** has been terrific in his general help and assistance in setting up and organizing this project. **A big thank you to all members who helped in any way.**

The Football Club has had two Woodcutting days this year which has been very rewarding financially and socially. Many thanks to all the members who helped with this terrific fund raiser. **Ted Roberts** has been instrumental in organising this fund raiser and the Footy club appreciates your efforts.

PAST PLAYER/ LOCAL LAD MENTION

Sam Gray continues to impress at AFL level clocking up some 90 odd senior games for the Power.

Cameron Taheny has played his first Senior League game for Norwood and is continuing to be selected for the League side three times in the last 8 weeks. Congratulations to Cam it is a terrific achievement at the young age of 17. Cam has also been involved in the under 18 State Championships held over the last six weeks unfortunately copping an injury which forced him to miss the second match. He still managed to have a strong carnival and we are all hoping Cam is picked up in the National Draft later this year.

Cole Gerloff has quickly become one of Norwood's regular players in 2019 having played 22 senior games. Well done Cole.

Tom Gray is recovering from a knee operation and has started running with the hope of maybe playing his first game late this season for the Eagles.

Kyle Jenner continues to play for Central Districts League team. Kyle is now one of the veterans having played at this level for over ten years. He continues to have a terrific career.

To see so many local lads playing great football at this higher level is very rewarding as a football club. It gives us confidence in many of the development programs, coaches and structures we have in place. Good luck to our Junior Colts at the Lions Mini Colts Carnival at Mangalo on the 28th July. This is a great long running country carnival which hopefully continues for many years. I encourage members to come along and support not only the Ranges lads but offer some assistance to the **wonderful Lions**

members who continue to make this event a success.

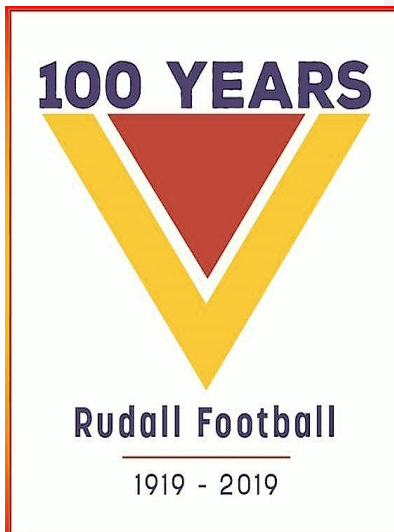

Our Club has been asked to help fill some of the rosters in the food shed; Donut, Coke Vans and on the gate on the day. Anyone interested in helping in any way please contact me as soon as possible to get your preferred time slot. It is important we keep supporting the Lions as they all have done a terrific job over a long period of time.

A big thank you to all our generous sponsors for your continuing support to the Eastern Ranges.

All members please take note of the businesses that are active within our general community that have generously supported our Club through sponsorship and return their generosity as often as possible.

Finally I wish all the coaches and teams the best for the remainder of the season.

NETBALL REPORT- CARMEN HAMPEL

We are now past mid season for 2019 and all teams have been competing and combining very well and are enthusiastic towards the remainder of the season leading into final rounds. With majority of teams undefeated and others battling well and very competitive.

Thank You to all our members that actively volunteer throughout the club to keep things running smoothly and successfully. There are many volunteer hours that go unnoticed throughout the netball season but everyone should be aware and I'd really like to express my appreciation from the club for donating your time and effort.

A massive acknowledgment and Congrat's to Keeley for making the top 10 at Country Champ's. This is a huge accolade and we are very proud of you.**

UMPIRES

Congratulations to **Mignon Dunn** who has worked very hard to achieve her 'B' Grade Badge in umpiring at the Lock Regional Carnival. She is the only active umpire with this level of achievement in our

league at present. We are lucky to have such a dedicated, enthusiastic, talented umpire so please ask her any questions as she's always keen to help others. **I also achieved my C grade badge at this carnival which is an achievement I'm proud of and it's great for our club to have another C badger amongst us to help the load.**

PEDLER CUP

We had a terrific representation at the Pedler Cup on 6th July, both teams finishing fourth. Team one Eastern Ranges players were **Claira Weiss, Nicole Simes, Gemma Harris, Tessa Dunn, Kate Haines and Sharn-ee Roberts** and **Mandy Simes** coach. Team 2 **Georgia Macgowan** and **Coach Cathy Haines** represented us. Thanks to all involved in this carnival to ensure a great day of netball.

SAPSASA

Our netballers and footballers have also been busy in Adelaide for SAPSASA. Congratulations to **Sarah Weiss, Hannah Evans, Ava Jenner, Gabrielle Taheny and Leni Richardson** who were all lucky enough to be selected and compete in the wonderful school event. We hope you made some great friendships and enjoyed your netball games.

Our netball club have been very busy with community support and Breast Cancer and Mental Health fund-raising.

I'd like to thank all the members who have donated food and support to Sarah, Bazza, Chloe and their family and friends in the recent tragic passing of Joe. This support I know they really appreciate. No words can ever help in their situation however our community support, love and Prayers definitely help ease the pain a little. Thank You.

We actively supported **Sue Beinke's Breast Cancer awareness game** against Ports with pink ribbons, pink food trading table, pink balls, auctions and donations.

This was a successful day and the total donation was quite substantial. **Thank You everyone involved in this event.**

We also participated in the **Inaugural Community Breakthrough Round** which proceeds go towards mental health. This consisted of a participation fee towards mental health, and we also ran a substantial raffle with the proceeds donated. **Tony McManus** was the guest speaker that night and many club members supported and stuck around for this presentation. This is a very serious issue and many people are affected by this in some way. Please be aware of each other's mental health and reach out when ever needed.

GENERAL NOTICES

There is never enough a thanks or exposure to show our immense gratitude to our sponsors. Our club would not exist without them so please support them whenever possible as we need to keep relationship mutual and keep our community surviving. **Thank You Sponsors.**

I'm sure we are all looking forward to the remaining of the season and what awaits our teams and supporters with some terrific games of netball. Good Luck.
Thanks

Roaming Reporters Anna & Hannah. If you haven't read their very entertaining reports from these girls, please do yourself a favour. They are very funny and talented!

Thank You

Dear Ranges Club family,

Barry, Sarah, Chloe and family would like to say a massive "Thank you" to everyone for their love and support, generosity of gifts, cards, flowers, home cooked meals and more.

It has been received with so much love and has made the most difficult and tragic time, that little bit easier. The sudden loss of Joe has had a huge impact on us as a family, but also our community!

The Ranges club has pulled together as one and has shown true family club support and we can't thank everyone enough.

So, from the very bottom of our hearts "Thank you," "Thank you," "Thank you". We are very blessed to be a part of the Eastern Ranges Club & Cleve Community!

We really feel so loved and supported.

Kind regards
Sarah xx

The Cleve sporting bodies

community clubrooms is coming along

as planned to be completed by Xmas time. 115 people came to the Sticky Beak day with a lot of positive feedback and excitement from everyone that attended. Thank you to those 40 people that attended our last working bee where we installed insulation as part of our volunteer contribution. There will be another couple of working bees in the coming month or so to complete the insulation, install ceiling tiles and painting so if you are wanting to be involved please come along. **Our committee would also like to thank the amazing donors in our community.** We have collected close to \$90k in cash donations which is amazing. Thank you so much to those extremely generous people. **More details to come on our official opening in February.**

SPONSORSHIP 2019

We are once again so lucky and fortunate to have the support of so many wonderful Sponsors. The generosity shown from so many of our local businesses is amazing. We cannot stress enough how important it is for our members to support and give our locals a go before heading further afield.

It is unfortunate that we have lost Direct Fuels as a Major Sponsor but they have gone into liquidation.

We welcome on board **Mason Contractors** for the first time this season as a Gold Sponsor.

To our wonderful Major Sponsors, many of whom have been with us from day dot. You are an integral part of the running of our club and we cannot thank you enough for your continual support. **Ahrens, Bendigo Bank, CBH Grain, Cleve Hotel Motel, Elders Insurance, Goodyear Cleve, Glencore Agriculture, Pringles Crouch, Quinns Overnight Freight, Quinn Transport, Ramsey Bros., Territory Trade Services.**

Also, all of Gold, Silver and Bronze Sponsorship is extremely important to our Club and we are so appreciative of business big or small giving what they can to help us out. We all need to aim to keep our money in our community so we have a community.

We are looking forward to hosting a **Sponsorship Appreciation Day** early next season in the brand new Cleve Sporting and Community Centre. The Major and Gold Sponsors signs around the outside of the oval have been recently updated and we are excited for our Sponsors to come along and see the new building.

GOLD SPONSORS

HARVEST

This harvest season you could help the Eastern Ranges Football & Netball Club. We have two Sponsorship agreements with 2 major Grain Buyers: CBH grain and Glencore Agriculture.

If you sell any grain through them, please ask for sponsorship to be added to the Eastern Ranges Football & Netball Club and they will chip in \$0.20/tonne from their own pocket to us as sponsorship.

THIS costs you NOTHING but HELPS us GREATLY!!
