Central Management

Wow what a year it was for the Eastern Ranges!

Congratulations to our Premiership teams. Netball had 5 out of 7 - A, C, C2, D & E, and Football 2 out of 4- B Grade and Senior Colts. But to have ALL of our teams play in the Grand Final is a mammoth achievement for our club. Well done to all the Coaches, players, officials and supporters. You all play a role and we are so lucky to have such wonderful members.

Thanks to both the Football and Netball Committees for all of your hard work throughout the season. Mark and Carmen you have led your committees with professionalism and dedication and continue to go over and above to make sure your clubs are run successfully.

Thanks to all of our members for filling all of the rostered jobs throughout the season. There are so many jobs to fill week in week out. It's so great to see everyone doing their bit. It's not an easy job doing the rosters whether it be kitchen, bar, clean up, football, or netball but if anyone is keen to have a go and learn, please get in touch with me. It's always great to get fresh ideas.

A massive thank you must go to the Rudall Community Sports Club for always having the grounds in tip top shape every Thursday for trainings and Saturdays for home games. It is a big job and I thank all of the members who attended all the working bees to get ready each week. Also I would like to mention Lorrae Weiss who is the sole cleaner of the Rudall Clubrooms. Thank you so much for your efforts EVERY week cleaning and also for being the kitchen convenor and ordering all the food and having the kitchen sorted every week. I think you deserve a rest over the summer!

Next season will be exciting for us all as we get to go back and play in Cleve. We look forward to our first game being held in the NEW facilities. It has been a long time coming and I would like to congratulate Kelly and her hard working committee for their dedication to get this project finished.

Our Central Management committee continues to work well together. I would like to thank my secretary Sarah Noble and Hannah Schubert our treasurer, for all of your efforts throughout the season. You both make my job so much easier. Thanks to the rest of the committee for all that you bring to our meetings each month. You all represent other committees and do so in a professional manner. Thanks for all of your support this year.

Our AGM will be held in February so please come along and support the overall running of the Eastern Ranges. You'll get an overview of how well we have done this season. It's great to come along and learn what the Eastern Eyre Ranges Committee does.

Good luck to all of you involved in summer sport and we look forward to another successful and exciting year in 2020.

Julie Burton
President, Eastern Eyre Ranges

NETBALL

2019 was a very successful season. We welcomed some new members on the committee, and I'd like to thank them and the existing committee members, who helped run our netball club so smoothly this season. We should be very proud of the club that we are all a part of.

This year the committee consisted of Jamie-Lee Jaggy as Secretary for the first time and she did a great job. Keeley Mason VP, Amy Allen ER Management Rep, Records Officer and Incentives, Kelly Smith ER Rep, Fiona Evans Liason Officer, Cassie Elson and Zoe Traeger EENA Delegates, Julie Burton Sponsorship, along with Mignon Dunn, Kelly Richardson and Jo Turner as committee reps. Many thanks to this committee and also to those that do so many jobs behind the scenes that are never properly recognized. Your contribution and efforts are greatly appreciated.

Many volunteer hours are contributed throughout the season and we are lucky to have people willing to give up their time. Thank You for this. We run things very professionally and the results on and off the court definitely show.

This season looked very promising right from the beginning with great number's through senior and junior teams. We submitted all grades and we had great success amongst all our netball teams. We had five Premierships this year: A, C, C2, D and E, with the B and E2 fighting hard in the grand final but unfortunately not quite getting there. Well done to those that achieved Best on Courts in their respective grand finals: Tamika Rehn (A), Julie Burton (B), Lauren Ferme (C), Angela Harris (C2) and Sharnee Roberts (D).

Well done to Tamila Rehn a fantastic first year playing for Eastern Ranges!

It was very evident that the senior and junior players learnt an immense amount and improved greatly throughout the season. This success is testament of our coach's professionalism and knowledge and we'd like to thank you all-

A grade; Mandy Simes

Well done to all the players, coaches, umpires, team managers, parents and workers who were involved in the Association Day, Lock Carnival, Country Champs, Mangalo Carnival, Pedler Cup, Cowell and Port Lincoln Carnival. All this extra time and travel is greatly appreciated and your children and players will have fond memories and extra skills from these experiences in years to come. Everyone thrived at these opportunities and our individuals and teams did us proud.

Individually our club members did exceptionally well once again. Congratulations to our association Best and Fairest winners.

SPONSORSHIP

Thank You just doesn't seem to be enough for all of our wonderful sponsors that support the Eastern Ranges Football and Netball Club. We were once again fortunate enough to have so many wonderful businesses that come on board and supported us again this season. Each year the generosity of businesses that are willing to support us is amazing. Whether they are Major, Gold, Silver or Bronze we appreciate all that you are able to support us with. Sponsorship is a huge part of our club and we all need to continually support all of the business that are willing to support us. Make sure you do read through the list. A lot of them are local businesses that need us as much as we need them for our town to continue to thrive.

Our Grain & Grazier families are also a valuable part of our club. Their grain donations are certainly appreciated and a good source of income for our club. If you are a farming family and would like to become a Grain & Grazier Donor for Season 2020 then please get in touch with me. If you have donated before then please feel free to transfer your grain to our NGR and just let me know when you have done this.

Thanks to Hangers and Kathrine for all that they have done this year with the Sponsorship. Sharing the load make all of our lives easier.

The Eastern Ranges Football & Netball Club looks forward to continuing our relationship with all of our wonderful Sponsors in Season 2020. A huge THANK YOU to you all.

Presidents Report, Eastern Ranges Football

A big thank you to all members who have contributed to the Eastern Ranges Football & Netball clubs throughout 2019. This year has been one of our most successful in our short history. The Eastern Ranges played in the Grand Final in every grade in both Football and Netball, winning Reserves and Senior Colts in Football and were Premiers in A, C, C2, D, and E grade in the Netball. We continued to have some great results in our juniors and I believe the Ranges place a huge priority in developing our juniors. These kids are the future of our Club, without strong juniors we would struggle in future years. The club can go forward with confidence when we are achieving so well in our junior grades.

Thanks to my committee for 2019-

Ange Harris has stepped into the role of Club secretary with confidence and completed her job well. Ange continues to contribute in just about every facet of the Eastern Ranges. On any given Saturday Ange can be seen at the Football change rooms either carrying out her numerous tasks to ensure the day runs well, pulling on her trainers' hat whenever she has a spare minute or simply supporting the team. In between all that she coaches a team of netballers and is still contributing as a player on the netball court. On top of that, there is a huge workload at home and between matches involved in making sure the club runs smoothly.

Tony Evans - Vice President - has been a great help this year and is another one that is willing to help wherever possible. Tony is also a League delegate.

Scratch Lovegrove continues to contribute doing many jobs such as gatekeeping, central and boundary umpiring, bar attendant and writing most of our entertaining matchday footy reports, plus additional league work as recorder, Sporting Pulse and much more.

Damien Hannemann this year has taken over some of the jobs Scratch has done for years. Thanks to Damo for the work he has done in organising gatekeepers, umpiring rosters and scoreboard attendances. **Trent Harris** and **Robert Haines** - are the liaison to Management.

Jars & **Ted Roberts** - League Jnr. Delegates a very important part of the club. Proxy league delegate **Ted Roberts** **Dave Simes** and **Kym Leonard** as community members. **Elliott Claxton** - Players representative.

The Eastern Eyre Ranges Management Committee continues to run smoothly under **Julie Burton** President, **Sarah Noble** Secretary, **Hannah Schubert** Treasurer, Delegates, RCSC, Cleve Sporting Bodies, and ERFC & NC. Thanks goes to the Eastern Ranges Netball Club, **Carmen**, **Jamie-Lee**, and committee who were great to work with.

To Merchandising Coordinator, a wonderful effort done by **Kelly Richardson** and also to and Mint Fusion (this season they again stocked our Merchandise). Thank you for your input into making our club look great, it is greatly appreciated.

The Social Committee. **Keeley Mason** organised, set up and run most of our social events this season on her own. It has been a tremendous effort by this lady. This is one area our Club has to work hard to improve and *urge our members to give it some thought to offer their help to this committee to improve the social atmosphere around the club in future years.*

Donald Trump and Allan from The Hangover at the iPod Shuffle Night held in July.

Our Budget every home game was collated, edited and produced by **Lauren Simes**, who did a magnificent job with Quinns Overnight Freight printing the budget in colour each week which was greatly appreciated.

Thanks to the **RCSC** for the use of their grounds each week this year. It must be said the Rudall committee has worked well over the last 4 years with the extra workload of the additional 3 home games and final every year. The ground and Clubrooms were always presented in magnificent condition for games each week. Well done.

Iwould like to take this opportunity to thank and acknowledge the terrific work **Kelly Richardson and her Committee** (Cleve Sporting Bodies) have achieved over the last couple of years to get one of our home grounds back up and working with this terrific new Sports Facility, in time for next season's opening game against Cowell on Anzac Day. Could I ask all members to get behind Kelly and her committee and offer help and support to assist in completing the new clubroom.

Sponsors

Businesses have once again shown tremendous generosity and support through sponsorship. We now have 13 Major Sponsors and our other sponsors continue to grow. Sponsorship is a vital part of our club & has been integral to its success. It is important for all of us if we want these local businesses to remain strong and viable within our town, we need to support them as often and as much as possible. These businesses need us as much as we need them. Please shop locally. I urge all members to acknowledge all businesses and support when they can. **Julie Burton** has again organised this very successful Sponsorship program.

Thank you to all Team Managers, Runners, Ass Coaches, Umpires, Central Umpires, Goal & Boundary Umpires, Time Keepers and Gate Keepers.

Trainers - Paul Dolling, Tina Traeger, Ange Harris, Mick Evans and Matt Crettenden a huge effort. The job these people did this year was unbelievable. Their dedication and the unseen hours of their valuable time is greatly appreciated.

Fundraising

The Football Club this year has done a magnificent job fundraising.

We ran a sheep project. Many thanks to **Trent and Ange Harris, Steve, Nat, Ted and Erin Roberts, Mick, Ali, Tony and Fiona Evans** for the use of their pastures and water throughout the year. A huge thank you to **Trent Harris** for organising this program. Thanks to **Mick Noble, Elders Rural Cleve and Stockco** (a Financial Product we used to purchase the sheep) We appreciate the help of any members who helped shear or manage the sheep or helped in any way. The Football Club has just bought some more sheep and if anyone has spare pastures to run these sheep over the next few months please let Trent know. Thanks to **Ted Roberts** in organising two woodcutting days (40 shuttles) which has earned the Club considerable dollars.

MINI MINIS- Thank you to Ted Roberts and any other parents that helped throughout the year.

JUNIOR COLTS- Congratulations to **Darren Alton** (the second year coaching the Junior Colts) and his team for another great year, but unfortunately they fell short in the Grand Final.

SENIOR COLTS SENIOR COLTS- Well done **Elliott Claxton** (the first year coaching colts) for coaching and developing this enthusiastic group of lads. Elliott should be very proud of his efforts; he has got the best out of these lads this year going through the season undefeated. Congratulations to Elliott, his coaching staff and the senior Colts players on taking out the Grand Final. Well done to Riley Evans on his Best on Ground in the Grand Final.

Reserves- Thanks to Tony Evans and his coaching team for what is one of the hardest and most challenging jobs within our football club. This team has now won the last five Reserves Premiership. A big congratulations to Nosta Gillings on taking out his third Reserves Medal. Nathan continues to play terrific Football. Well done to Klay Harris on the best on ground medal in the Grand Final. Congratulations to Percy Butterfield and Pockets Jenner on being the dual leading Goal Kicker in the Reserves for 2019. A great effort.

A GRADE -To Pat Jenner and his coaching team, you have once again done a tremendous job but unfortunately struggled to get on top of a very good Kimba combination. Pat has indicated that he will not coach next season. Pat has done a tremendous job over the last three years and the Ranges appreciate the huge effort you have committed to making our Club better. Many thanks Pat.

Congratulations to all the Mortlock Shield Representatives. Jake Bruce and Jack Kenny -EP Squad. Jake Bruce played for EP in country Championships.

Congratulations to the team of the year recipients Dean Storic, Jake Bruce, Elliott Claxton, Jack Kenny, Jack Weiss, Damien Hannemann, Dustin Harris, Lachie Shambrook and Matt Price.

We had our Football AGM several weeks ago which was well attended and I would like to thank all members who attended.

Robert Haines has not taken a position on

our Football committee next year. I would like to thank Robert for all of the positions, jobs, and involvement in helping the Football Club run well since the Ranges were formed. We welcome Darren Weiss back on to the committee after a few years' absence. If any Club members have any issues or concerns do not hesitate to contact me or any of our football Committee.

Associations merge of the Eastern Eyre and Great Flinders Football Leagues and Netball Associations. We are currently waiting on an indication from GFFL and GFNA Clubs as to where we go from here. I believe this merger would benefit Eastern Ranges immensely for the continuing sustainable healthy future of Football in our area. If anyone has any questions please do not hesitate to ask Spud, myself or any of the football committee.

A huge congratulations to Scratch Lovegrove, Spud Jenner and Kym Villis on their Life membership of the Eastern Eyre Football League. The Ranges are fortunate to have these three blokes within our Club. The amount of time and effort these fellows have done for the Eastern Eyre Football League is huge. Add to this their continuing contribution to the Eastern Ranges since our Club was formed in 2012 and it is a tremendous effort. Their Life Membership is a great acknowledgment of their involvement in Football within our area over a long period.

In closing, congratulations to all premierships sides, all trophy winners, and all members for what has been a successful season for the Eastern Ranges.

Mark Hannemann
President Eastern Ranges Football Club.
