

RANGES WRAP

Issue #23

April 2021

PLEASE TAKE THE TIME TO READ THROUGH OUR CLUB NEWSLETTER. THIS IS ONE OF OUR MAIN FORMS OF COMMUNICATION TO GET INFORMATION OUT TO OUR VALUED MEMBERS AND SPONSORS.

CENTRAL MANAGEMENT

I would like to welcome everybody to the coming season of which I believe everybody is very excited and looking forward to getting back in action.

With the new team Central Eyre United there is much anticipation and I am sure our first game at Rudall will draw a large and passionate crowd to kick off the season.

Central Management have lost our Secretary, Sarah Noble, and I would like to thank her for her efforts over a number of years. We presently have not found a replacement therefore operating without a secretary. We are hoping to secure somebody in the short term who may be able to assist, if anybody would be prepared to help out please let me know.

Overall our club looks quite healthy with Senior & Junior football numbers being very good and Netball also looks to be reasonably well off for the coming season.

All the best to all Eastern Ranges Netballers & Footballers and lets have an enjoyable and successful year.

I would like to thank these amazing ladies that stand by and support me. Without every single one of you our club would not run as smooth and it does.

Over the last month we have had our grading nights. This is not an easy task so I would like to give a massive thank you to **Jodie Blum, Larie Crettenden, Carmen Hampel and Kelly Butterfield** for your time and commitment. This process can not happen without the people standing on the edge of the court blowing the whistle, and we thank you for putting your hand up for this job. So thank you to **Mignon Dunn, Holly Cowan, Sarah Rudd, Lorrae Weiss and Carmen Hampel**. These ladies have continued to umpire for the trainings as well.

On training nights at 6pm sharp there will be a brief presentation of what is happening on and off the court. *We encourage everyone to attend this brief, even parents of juniors.* Please join Eastern N Ranges Facebook page, Eastern Ranges Team App, check the pin up boards and let the club know your email address. These are our forms of communication and we strongly believe good communication between committee member, players, parents, juniors and spectators are important.

A big thank you to **Erin Roberts** for volunteering her time to do the court duty roster and the two ladies who are doing the catering/bar roster. These are not easy jobs. If the time slot you have been placed in does not suit you please arrange your own swap.

Thank you to **Mignon Dunn** for holding the presidents position once again this year for our netball association.

The EENA Executive for 2021 is:

President	Mignon Dunn
Vice President	Kristy Turnbull (Ports)
Secretary	Toni Scott (Kimba Districts)
Treasurer	Jacqui Lewis (Ports)
Records	Tanya Williams (Cowell)

Congratulations to **Claira Weiss** who has been selected in the Eyre Academy top 20 squad. We wish Claira good luck in the journey through the year and look forward in watching her skills develop to

a high standard.

Congratulations also to **Lauren Simes** who is with the Eyre Academy this year as an apprentice coach.

One of the trainings is scheduled to be held in Cleve later in the year. This will be a great opportunity for people to check out the upcoming talent on the EP!

Our first game is not far away and we look forward to a great year of netball.

Do you work or volunteer with children?

You can **no longer** use a National Police Certificate for this work and you must have a Working with Children Check

Working with Children Checks are essential for anyone working or volunteering with children. This means if you coach, umpire, have an official role, serve in the kitchen/bar etc you need to have this completed. It is a relatively simple process that Ange Harris can help you with. For further details call Ange on 0429 207 026 or catch up with her at training.

AMBULANCE COVER

The Football & Netball Clubs would like to encourage all members to have Ambulance cover for them and their families. We have had situations where members have used the Ambulance system in non-serious situations and ended up with a \$800+ bill. Ambulance cover is not overly expensive and could prevent an expensive bill.

The Eastern Ranges Football and Netball Clubs are so fortunate to not only welcome back the support of our 12 continuing Major Sponsors for the 2021 season, but we also welcome Elders Rural Service Cleve and Arno Bay Shearing on board as Major Sponsors. We are very appreciative of the generosity that these 14 businesses have given to our club.

Emails have been sent out to all of the sponsors from 2019, in addition to potential new sponsors and we have already received a great response so far. If you haven't received one yet, please send us an email at erfncsponsorship@gmail.com

Until we can release the 2021 Sponsors list, please refer to the list from 2019 and continue to support those businesses. Hopefully most of them will choose to come on board again and support us this season.

This year we see the departure of Mark Hannemann from the Sponsorship team. We would like to thank him for everything he has done with our sponsors in the past.

Please have a look at the Sponsors list in this Wrap. Continue to support our Sponsors wherever you can and hopefully they will return the favour to our Club.

We thank each and every Sponsor from Season 2019 and look forward to continuing our relationship in 2021.
