# POSITION VACANT

Central Management Committee

## SECRETARY

This position still needs to be filled URGENTLY. Please contact Sarah Noble or Darren Allen if you are interested.

Welcome to the 2<sup>nd</sup> edition of the Ranges Wrap for 2021.

Well! What an awesome season the Eastern Ranges are having so far with each grade sitting on top of the ladder. Things couldn't be going any better.

Jars and the Mini's are going along nicely. This side is full of outstanding talent and it's a credit to Jars how he pulls them all together.

Burger and the Senior colts are also doing a great job. They have had some tight tussles in the first half of the season only losing one game, but Burger has been able to gather them as a strong determined team and get them over the line.

Dave Smith and the B Grade, where do I start. There has been a fair few in and a fair few out, but at this stage they are undefeated and have had a few come out of retirement that have just slotted straight back in, and I think they may even be enjoying it. Well done to the first year B grade players who have come up from the senior colts, you have all stepped up to play in the seniors and are doing a great job and thanks also to the current senior colts that have also come up to help.

Puggy and the A grade have had a few challenges from the other clubs but have managed to continue their winning way. They have had a few injuries but the lads that have come up from B grade have done all that has been asked of them when they have been required.

Well done to all grades and coaches so far and best of luck for the remainder of the 2021 season.

As the season has gone on, we have had a few players play milestone games:

Congratulations to the Ranges lads who represented Central Eyre Peninsula at SAPSASA in early June. Mitchell Peters was in the Year 7 team that finished 6th in Div 2.

Cooper Allen, Archie Schubert and Kobi Jenner were in the Year 6 team and finished 4th in Div 2.

**Mini Colts Carnival**

The spectacle that is the Mini colt's carnival is back on this year after having a year off due to Covid, being held at the Rudall Sporting Complex on Sunday the 1<sup>st</sup> of August. We will need as many helpers at Rudall as we can get so, please put your hand up and go on a roster to help out.

Good luck to Jars and the Minis for the carnival. It would be great to see as many supporters as possible out at Rudall to cheer the lads on, it's a great family day!

Lastly, I would like to thank everyone who was involved in hosting the Kinlough and Pedler Cups and the Norwood 15U Country v Metro held at Cleve last weekend. A special mention to the Eastern Eyre Football League Junior Committee, in particular, Kym Willis and Amy Allen, for their time and effort to ensure the weekend ran smoothly.

We are now approaching the third round of 2021 and what an exciting season it has been so far.

I would like to start with thanking my committee, coaches, players and members for their ongoing support to kick the season off and help it sail smoothly. We have been faced with many injuries this year making it hard for teams to settle, although this has not prevented strong competition from all grades.

The ladder at the end of round two:

A Grade	2 <sup>nd</sup>
B Grade	1 <sup>st</sup>
C Grade	2 <sup>nd</sup>
C2 Grade	2 <sup>nd</sup>
C3 Grade	1 <sup>st</sup>
D Grade	1 <sup>st</sup>
E Grade	3 <sup>rd</sup>
E2 Grade	4 <sup>th</sup>

With the F Grade the girls have come a long way with their netball skills. Net-Set-Go will continue for a few more weeks as the girls are keen to continue to develop their skills.

Please note that there has been some changes with how we run our netball court duty roster. We are now trialling two jobs for one volunteer. Please read your roster properly and if you have any concerns or general feedback please contact me direct.

Congratulation to Lauren Simes for receiving the Sister Mary McFarlane ANZAC medal in the A grade played on ANZAC Day.

We are very fortunate to have the support of so many of our wonderful local businesses again in the 2021 season. Without their support, our club would not be able to run, so please continue to support these businesses as much as possible.

This year we welcome Arno Bay Shearing and Elders Rural as Major Sponsors, while Benmatar, Brumfield Electronics, Nutrien Ag Cleve and Rudall Motors have all come on board as Gold Sponsors as well.

To all of our sponsors, we would like to thank you for your continued support over the years. You are an integral part of keeping our club running and we are so appreciative of you giving what you can to help us out. Our club is a huge part of our community, without our local businesses it can not survive, but these businesses can not survive without the support of our community, so please aim to keep your money in the community.

We are looking forward to hosting our Sponsor Appreciation Day in Cleve on August 14 at our game against Kimba. All the signage has been updated and we can't wait to have all of our sponsors there providing Covid stays away!

Once again you are able to support the Eastern Ranges this harvest. We still have our sponsorship agreements with CBH Grain and Glencore Agriculture. If you sell grain with either of these companies, please ask them to add sponsorship to the Eastern Ranges Football and Netball Club and they will contribute \$0.20 per tonne out of their pocket towards the club.

This costs you NOTHING and HELPS us GREATLY!

If you have any questions about sponsorship, please contact

Kathrine Norris 0412183850 or Julie Burton 0429 207 084
