Junior Colts Premiers

2021

I would like to thank everybody for the work they have done over the year with Eastern Ranges hosting the Grand Final at Cleve and what was thought across the board as a very successful day.

To all members who have filled rosters, worked in bars, kitchens & canteens a very big thank you and we all must remember that if we all do our bit it makes light work for the club as a whole. On Grand Final day there was 220 shifts filled by members over the day which is quite amazing for a country club of our size and everybody should be congratulated for their efforts.

The club has been successful in raising significant funds this year with excellent sponsors and our fundraising efforts have been very pleasing, a big thank you to Julie Burton & Katherine Norris for their efforts. Our sheep program has continued with excellent results thanks to Trent Harris and our firewood sales being very good, big thanks to Teddy Roberts for his efforts.

The Central Management lost our Secretary Sarah Noble at the end of last year we presently have not found a replacement and the committee is operating without a secretary. We are hoping to secure somebody, if anybody would be prepared to help out please let me know.

Overall our club had some excellent success this year winning both Junior & Senior Colts football with both teams having their best performances for the year on Grand Final day well done to all players and staff. The Netball also had some success with Premierships in both C2 & C3 so well done to players and coaches involved.

Our club as a whole has functioned very well & I believe is a very family friendly club and is very inclusive of all people and is a big credit to everyone involved. The football & Netball clubs are in good hands with Cretty & Zoe doing fantastic jobs a big thank you to them both.

Eastern Ranges hosted
the 2021 Grand Final
at Cleve

Welcome to the Final Edition of the Ranges Wrap for 2021

Firstly, a big thank you to all the members that have contributed in any way to the Eastern Ranges Football and Netball clubs throughout the 2021 Season.

I would like to congratulate both the Junior and Senior Colts along with Jars and Burger on their grand final win. They have had an exceptional year. I think with the young players coming through both grades, the Eastern Ranges football club has a bright future.

Congratulations to the trophy winners from both grades.

Congratulations to Coby Dolling who was selected in the EP U15 Team who are competing this week in Adelaide. And also to Paul Dolling who is a trainer with the team.

Congratulations must go to the C2 & C3 Netballers for their Grand Final win, what a great effort.

Thank you to my football committee especially Ange Harris for what she does behind the scenes. Without Ange as secretary there would be a lot of stuff I wouldn't get done.

Thank you to Central Management committee and all the delegates. Jars and his team have done a tremendous job this year with everything being run and organised in a professional manner.

Cleve Sporting Bodies & Rudall Community Sports Club, thank you for preparing the grounds and courts to the high standard we all like to see. Also, Kitchen and bar volunteers from both clubs you have done a great job week in week out.

Anna Cant, Lauren Simes and the social committee, well done and thank you for your efforts. This year it has been hard to organise events due to the Covid restrictions that have been placed on everyone but the events that were organised and able to run were enjoyed by all.

Thank you to Anna Cant for taking on the role as merchandise coordinator. I'm sure everyone would agree the new hats are great and I am looking forward to seeing the new Jumpers

when they arrive, along with any other merchandise ideas Anna may come up with.

Thank you also Lauren Simes for putting together the budget each week and Quinn's Overnight Freight for the use of their colour printer. The club has now purchased our own printer which should make the job easier and save on printing costs.

To our Sponsors, we can't thank you enough. Your generosity is greatly appreciated. Without our sponsors, clubs like us cannot run. It is important for all of us if we want these businesses to remain strong and viable within our community, that we support them as often and as much as possible. Please shop locally. Julie Burton and Kat Norris have again been the drivers behind what has been a very successful sponsorship campaign. Thank you.

Thank you to all Team Manager's, Runner's, Assistant Coaches, Central, Goal & Boundary umpires, Timekeepers and Gate keepers.

Trainers – Paul Dolling, Ange Harris, Mick Evans, these guys are awesome. The job they do week in week out is amazing, without them there would be a lot of footballers and netballers that would not make the field/court to play.

Grant Jenner and David Smith, your role as coaches for the A grade and B grade is not an easy task. You both persevered throughout the year and did an exceptional job. Although we weren't able to bring home an A or B grade premiership you are to be commended for the time and effort you have put into your role as senior coach's. Thank you. Congratulations to the trophy winners from both grades.

We have continued with the Sheep and Firewood fundraising efforts. Many thanks to Trent & Ange Harris, Roo, Nat, Ted & Erin Roberts, Mick & Ali Evans, along with Mick Noble from Elders Rural Cleve. This is a great fundraising initiative and would be great to see it continue. If there is anyone else within our club that could help with the sheep in any way, please let me know as it will help take the pressure of these guys and their properties when it comes to grazing etc.

We had great Senior representation at League level this year. Congratulations to the League Medal winners and the guys who made the EEFL Team of the year.

A shout out to Daryl "Scratch/Guru" Lovegrove who has entertained our league and beyond with his Unofficial Match Reports each week. And also does a terrific job central umpiring, boundary umpiring while listening to his horse races, keeping records, and generally just being an awesome club person.

Thank you to all of our 2021 sponsors. Your generosity following the uncertainty of the past 18 months is appreciated more than words can express. We were excited to welcome Elders Rural Services Cleve and Arno Bay Shearing on board as Major Sponsors this year, as well as multiple other new sponsors at different levels. Sponsorship plays a vital role in keeping our club running and it is important that all of our members continue to support these businesses throughout the year.

Next year is the start of our next 3 year Major Sponsorship Package and we are currently seeking commitments from our local businesses that wish to be Major Sponsors so that we can arrange for new Football Guernseys and Netball Bibs to be ready for the start of the 2022 season. If you wish to be a Major Sponsor, please contact us by October 25th.

Another huge thanks to our Grain and Grazier sponsors. Their grain donations are certainly appreciated and a good source of income for our club. If you are a farming family and wish to be a Grain and Grazier Donor for Season 2022 by donating one or more tonnes of wheat then please get in touch with us.

With harvest coming up soon, you are once again able to support the Eastern Ranges by supporting our sponsorship agreements with CBH Grain and Viterra. If you sell grain with either of these companies, please ask them to add sponsorship to the Eastern Ranges Football and Netball Club and they will contribute \$0.20 per tonne out of their pocket towards the club.

This costs you NOTHING and HELPS us GREATLY!

The Eastern Ranges Football and Netball Club looks forward to continuing our relationship with all of our wonderful sponsors in Season 2022. A huge THANK YOU to you all.
