April 2022

## CENTRAL MANAGEMENT

I would like to welcome everybody to the start of the 2022 Football & Netball season. I hope everybody is looking forward to another exciting and enjoyable football season.

To all new players and families welcome to the Eastern Ranges and I firmly believe you will thoroughly enjoy joining our club with our family friendly environment & positive outlook of all members.

This year will be the 10th year as a club and given the significance we will be having a 10 year anniversary and reunion scheduled for Saturday the 25th June at Cleve v's Kimba. This should be a good promotion for our club and a chance to celebrate our Football premierships won in A & B Grade as well as acknowledge everything achieved over the 10 year period.

Once again, thank you to our sponsors who do a great job. Please ensure all members support them where possible as without them clubs like ours would struggle to function as well as we currently do.

We as a committee are very pleased to have Kelly Butterfield on board as our Secretary which so far has been excellent. A big thank you to Kelly for volunteering and put her hand up to help.

To everybody please enjoy the up coming season, our Senior & Junior football numbers look good and netball also looks to be coming together really well. Lets hope we can continue to be competitive and hopefully have some success at the end of the year.

We have a great club and let's hope we continue with the success and positivity we have enjoyed over the past 10 years.

## FOOTBALL CLUB

Welcome one and all to the 2022 Football and Netball season. I am sure, like me, you are all looking forward to a full and stress-free year.

This 2022 season is going to be very exciting. We have a couple of new coaches on board, Merv Schubert in the A grade, Matt Quinn in the Junior Colts and Pat Jenner (with help) in the Mini Minis. I am sure their football knowledge will go a long way towards these grades having a great and successful season. Also, a special mention to Elliott Claxton who coached the Senior Colts in 2021, to a Grand Final win. He has put his hand up again this season to coach the Senior Colts and can hopefully guide them towards more success in 2022. We also welcome back Dave Smith for his consecutive year as B grade coach. Last season's grand final loss will surely put plenty of fire in Dave and the boy's bellies for a better outcome this year.

I would also like to wish those Senior Colts kids from last year, moving into the seniors mix this year, all the best for now and their future footy endeavours.

Feel free to approach me or any of the committee members if you have any concerns regarding football throughout the year. Good Luck to all players and volunteers on an awesome 2022 Season.

### Working with Children Checks

are essential for anyone working or volunteering with children. This means if you coach, umpire or have an official role in football or netball and serve in the kitchen/bar etc you need to have this completed. It is a relatively simple process that Ange Harris can help you with.

For further details call  
Ange on 0429 207 026  
or catch up with her at training.

### INSURANCE

The Football club has committed to the basic Bronze cover provided by Community Football - this is limited to \$2,000 per claim of out of pocket non Medicare expenses.

Anybody looking for "Loss of Income" insurance should arrange this privately. Major Sponsor, ELDERS INSURANCE have a very competitive package tailored for locals, contact Kane or Jack for further information.

## NETBALL CLUB

Welcome to the 2022 netball season. We have welcomed many new players and returning players to netball this season and it gives us great excitement to see what 2022 has to offer us.

Last month we started our grading process. This has been very tricky with Covid-19 interfering with our attendance numbers. I would like to thank the selectors: Deb Taheny, Holly Cowan, Larie Crettenden and Kaila Kirvan. You ladies did an amazing job to get everyone onto the court and make last minute changes. Also to our umpires: Mignon Dunn, Sarah Rudd, Lorrae Weiss, Mandy Simes and Cathy Haines for attending trials and training. It's one less job the coaches have to worry about knowing you are there.

Training started a week earlier this year to help with the players getting as much time on the court as possible with the busy time and Covid making it hard for everyone to attend every trial/training sessions. On the 24th of March we had a trial match against Lock. This gave the senior coaches a chance to have a good look at the girls to help with selecting grades. I thank Lock for travelling over to us and also the umpires that umpired on the night.

Training nights at 6pm sharp there will be a brief presentation of what is happening on and off the court. We encourage everyone to attend this brief, even parents of juniors. Please join "Eastern Ranges football and netball club" Facebook group. Eastern Ranges Netball Facebook page will no longer be active and ALL the netball and football information will be posted on that one group. Stack Team App (use to be named Team App) is also another way to collect all the information going on and is an excellent quick reference to rosters etc. We also have an emailing system. Please contact Kelly Butterfield if you would like to receive correspondence via email.

From this year individual players are now required to register netball players straight to Netball SA through PlayHQ. More information will be released as soon as EENA opens up the season on PlayHQ. The fee that you will need to pay at the time of registration is: Seniors \$98.77 and Juniors \$81.93. Please note this fee goes straight to Netball SA and you will also need to pay a sub to Eastern Ranges.

Thank you to Mignon Dunn for holding the vice president position this year for EENA.
