

RANGES WRAP

Issue #27

July 2022

Eastern Ranges

FOOTBALL CLUB

Welcome to the 2nd edition of the Ranges Wrap for 2022.

Hello all. Our season so far has been very competitive with A Grade sitting second, B Grade sitting top, and the Senior colts and Junior colts sitting in 4th position. Matt and the Junior Colts are going along okay. They are coming up against some very strong opposition, which is tough on our lads. We have a lot of little fellas who are going into battle each week against the opposition sides that are bigger and stronger. Matt is doing a good job with the lads.

Burger and the Senior Colts are having a few ups and downs. Burger is doing a great job with the lads and they have had some tight tussles in the first half of the season. The side from last year has changed significantly but Burger has been able to pull them together as a determined team and hopefully, come the end of the season, they will be in finals contention.

Dave Smith and the B Grade are going along nicely having only one loss. We have had quite a few numbers run through the side this year which is good to see the depth we have. A few younger players taking over from the older blokes. Hopefully the B grade can continue on their winning way.

Merv and the A grade have had a few challenges from the other clubs but have managed to pull through and get some good wins on the board. They have had a few injuries but the lads that have come up from B grade have done all that has been asked of them when they have been required.

Well done to all grades and coaches so far and best of luck for the remainder of the 2022 season.

10 Year Anniversary Eastern Ranges

On Saturday the 25th of June we celebrated our 10 Year Anniversary of the Eastern Ranges. I wish to congratulate all club members and supporters on what has been an awesome 10 years. Thank you to Amy Allen, Jules Burton, Mark Hannemann, Troy Grosser & Darren Allen for giving insights into our 10 years, where we have come along way as a Club. Also thank you to Elliott Claxton for organising the 10-year anniversary guernsey's that were worn by the A grade footballers then auctioned off on the night, where I believe we raised approx. \$11000 for the club. Well done!

Congratulations must go to our league representatives for the U15 Norwood Cup, U17 Kinlough Cup and Mortlock Shield. We were represented very well in all these games.

Well done to all involved, it's great to see so many Eastern Ranges players and officials want to be involved in what I believe is an important part of our football program.

Mini Colts Carnival

The spectacle that is the Mini colt's carnival is back on this year, being held at the Rudall sporting complex on Sunday the 24th of July. We will need as many helpers at Rudall as we can get, please put your hand up and go on a roster to help out.

Good luck to Matt and the Junior Colts for the carnival and it would be great to see as many supporters as possible out at Rudall to cheer the lads on. It is a great family day.

Best of luck to both Football and Netball for the remainder of the 2022 season

NETBALL CLUB

I would like to start with thanking my coaches and committee for their ongoing support to get us through the season so far. This has not been an easy time trying to not only juggle players out with covid but also injuries and other illnesses. The coaches have done an amazing job still getting enough players to fill each grade each week with strong teams. We have been fortunate enough to get both our home ground netball courts resurfaced and don't they look great.

The ladder at the end of the second round:

A Grade	1st
B Grade	2nd
C Grade	1st
C2 Grade	2nd
D Grade	2nd
E Grade	2nd
E2 Grade	3rd

F Grade do not score, however they have come a long way over the season with many skills they learn at training being adopted on the court on Saturdays. NET-SET-GO have completed their 10 week sessions but after a short school holiday break they will be back out there in term 3. A massive thank you to Lauren Simes and Kelly Morrow for guiding our younger and future generation.

Congratulation to **Lauren Simes** for receiving the Sister Mary McFarlane ANZAC medal in the A grade played on 25th of April, ANZAC Day.

We are very fortunate to have the support of so many of our wonderful local businesses again in the 2022 season. Without their support, our club would not be able to run, so please continue to support these businesses as much as possible.

This year we welcome Optus on board as a Major Sponsor, as well as a number of new sponsors in the other tiers. On top of their sponsorship, they generously brought down their movie truck for an outdoor movie night for the kids during our 10 years of Eastern Ranges celebrations.

To all of our sponsors, we would like to thank you for your continued support over the years. You are an integral part of keeping our club running and we are so appreciative of you giving what you can to help us out. Our club is a huge part of our community, without our local businesses it can not survive, but these businesses can not survive without the support of our community, so please aim to keep your money in the community.

We are looking forward to hosting our Sponsor Appreciation Day in Cleve on August 20 at our game against Central Eyre United. All the signage has been updated and we can't wait to have all of our sponsors there.
