## **CENTRAL MANAGEMENT**

I believe we had an excellent year as a club both on and off the field. We had numerous teams represented on Grand Final day in both football and netball we had some success in some grades and some disappointment in others however getting to a Grand Final and experiencing the day always puts you in good stead going forward.

Off the field we had a highly successful year with some excellent social functions with the 10-year reunion being a highlight and other events held at both Cleve and Rudall sporting clubs being well attended with a really good club atmosphere. A big thank you to the social club committee who were well organised and on top of all events which created a great club culture over the year.

Financially the club is very strong with very large sponsorship and a big thank you to all sponsors. Our club fundraising continued this year with an excellent sheep program and a big thank you to Trent Harris for organising and to all others that assisted in that area.

The Cleve Field days were a success with good money raised and a big thank you to Matt Story and helpers for their efforts in coordinating the food and shed etc.

A big thank you to people on all committees for their efforts and to all members who are not involved on committees the more people who get involved and contribute the better off the club is as a whole.

## FOOTBALL CLUB

Welcome to the Final edition of the Ranges Wrap for 2022.

Firstly, a big thank you to all the members that have contributed in any way to the Eastern Ranges Football and Netball clubs throughout the 2022 Season.

I would like to congratulate the Senior Colts along with Burger on their grand final win. They have had a great season, it was always going to be a tough game against Kimba, but they shone through in the end.

Thank you to my football committee especially Ange Harris for what she does behind the scenes. Without Ange as secretary there would be a lot of stuff I wouldn't get done.

Thank you to Central Management committee and all the delegates. Jars and his team have done a tremendous job this year with everything being run and organised in a professional manner.

Cleve Sporting Bodies & Rudall Community Sports Club, thank you for preparing the grounds and courts to the high standard we all like to see. Also, Kitchen and bar volunteers from both clubs you have done a great job week in week out.

Thank you to the social committee, there has been a lot of fun nights this season, well done and thank you for your efforts.

Thank you to Anna Cant who continued as the merchandise coordinator I am sure you would all agree it was great to see a sea of blue on Saturday's.

Kelly Dolling for putting together the budget together each week and Cassy for printing and folding. This is a massive task for our home games thank you Kelly and Cassy.

To the A, C & D Grade Netball congratulations on your grand final wins, what an awesome effort.

To our Sponsors, we can't thank you enough. Your generosity is greatly appreciated. Without our sponsors, clubs like us cannot run. It is important for all of us if we want these businesses to remain strong and viable within our community, that we support them as often and as much as possible. Please shop locally. Julie Burton and Kat Norris have again been the drivers behind what has been a very successful sponsorship campaign. Thank you.

Thank you to all Team Manager's, Runner's, Assistant Coaches, Central, Goal & Boundary umpires, Timekeepers and Gate Keepers.

Trainers – Paul Dolling, Ange Harris, Mick Evans, these guys are awesome. The job they do week in week out is amazing, without them there would be a lot of Footballers and Netballers that would not make the field to play.

Kane Schubert and David Smith, your role as coaches for the A grade and B grade is not an easy task. Although we weren't able to bring home an A or B grade premiership you are to be commended for the time and effort you have put into your role as senior coach's. Thank you.

Jack Kenny, Jess Kenny, Hank Burton, Dean Storic, and Lachie Shambrook 2022 EEFL Team of the Year.

We have continued with the Sheep and Firewood fundraising efforts. Many thanks to all that took the sheep on agistment. This is a great fundraising initiative and would be great to see it continue.

Lastly, I would like to say again to all involved, Players, Officials, Members, Supporters, Sponsors, Volunteers and anyone else that is involved in this great club, I thank you and look forward to seeing you all again next year.

## MERCHANDISE

After another year comes to an end it was fantastic to see so many players, supporters and volunteers wearing the new merchandise. I look forward to creating a wider range of Merchandise online with Nelson's Teamwear for the 2023 season and onwards. I'm hoping this will make things easier to access, allow a bigger range for our club to wear with quantities not being an issue. There will be a link sent out closer to the 2023 season that will allow you access to the online portal (note to self the portal will have a cut off date)

We will continue to stock much needed sportswear all year round at Mint Fusion. Some of the merch on hand being football shorts and both netball & football socks. There will also be a certain few pieces that won't be loaded on the website until stock gets lower at Mint Fusion such as Retro Jackets & Polo tops. I am excited for what the future has in store for our clubs merchandise!

We will continue to strive to create a sea of blue

## SOCIAL COMMITTEE

After a couple of years of interruptions it has been great to have a season full of social events. A big thank you to our members for supporting the events the committee have organised this season including:

- Players, car park & dinner line auctions,
- Live music
- The Wedding of Jamal and Crystal
- Mouse races,
- Dress up nights,
- Kids movies,
- 10 years of Ranges celebrations and the Ranges Ball.

These events help raise money for our club but also help support both Cleve Sporting Bodies & Rudall Community Sports Club. We have lots for ideas ready for season 2023. If you have some ideas and would like to join the Social Committee please let Kelly Butterfield know.

# SPONSORSHIP CONT.....

Thank you to all of our 2022 sponsors. Your generosity over the last 10 years is appreciated more than words can express.

We welcomed Optus on board as a new major sponsor this year as well as new guernseys and netball bibs showcasing all of our major sponsors with the start of a new 3 year Major Sponsorship Package.

Sponsorship plays a vital role in keeping our club running and it is important that all of our members continue to support these businesses throughout the year.

We were able to celebrate our sponsors at our sponsors day in Cleve on August 20, thank you to all who came along and those who helped out.

Another huge thanks to our Grain and Grazier sponsors. Their grain donations are certainly appreciated and a good source of income for our club. If you are a farming family and wish to be a Grain and Grazier Donor for Season 2023 then please get in touch with us.

With harvest coming up soon, you are once again able to support the Eastern Ranges this harvest. We still have our sponsorship agreements with CBH Grain and Viterra. If you sell grain with either of these companies, please ask them to add sponsorship to the Eastern Ranges Football and Netball Club and they will contribute \$0.20 per tonne out of their pocket towards the club.

The Eastern Ranges Football and Netball Club looks forward to continuing our relationship with all of our wonderful sponsors in Season 2023. A huge THANK YOU to you all.

*Kathrine Norris and Julie Burton*

Sponsorship Coordinators

## GRAIN GROWERS

**We would like to invite farming families from the Eastern Ranges to donate grain this harvest.**

**Any donation of 1 tonne or more of WHEAT will see up to one family subscription paid from your donation.**

**Our NGR is 13249411**

**If you are forward contracting with Viterra or CBH Grain for harvest 22/23, please ask for sponsorship to be added to the Eastern Ranges Football & Netball Club and they will chip in \$0.20/tonne from their own pocket to us as sponsorship.**

*THIS costs you NOTHING but HELPS us GREATLY!!*
